Skitter 1138: ::and the girl slips inside too, frowning more than a little...::
Niqueliece: :: sips her cider, absently tossing the little girls strawberry-blond curls ::
Skitter 1138: ::walks up and swats Dante's arm...::
DanteVoltan: Oow! What I do?
Skitter 1138: Ya din' tell me whatcha done out there...
DanteVoltan: You'll have to see when everyone else does!

Niqueliece: >> Iris: :: looks up at her mother :: Uh-oh. Mistah Danne in twoble.
DanisiaChambray: ::Multiple smells of foods come from the kitchen as preparations for the festival tonight are being completed.::
Niqueliece: :: chuckles :: So it would seem. What's going on here tonight? You could smell the food before you get in.
Skitter 1138: ::frowns a little at Niqui:: Ya ain' heard 'bout the festival?
DanteVoltan: I'm always in trouble Miss Iris
Skitter 1138: 'Cept when he's sleepin'... ::chuckles::
Niqueliece: :: shakes her head ::
Niqueliece: >> Iris: :: giggles at Dante ::
Niqueliece: :: sips her cider ::
DanteVoltan: ::chuckles softly:: Its my curse
Niqueliece: We came buy a night or two ago, but didn't stay long.
Skitter 1138: ::smirks:: Ya c'n make it up to me by buyin' me dinner.
DanteVoltan: Ha! I've done nothing wrong!
Niqueliece: >> Iris: :: sips some more milk ::
DanteVoltan: That tasty Iris?
Skitter 1138: Did too! Ya ain' tol' me whatcha made.
Niqueliece: >> Iris: :: bright smile, nods ::
DanteVoltan: ::Grins:: Good. ::looks to Skitter:: Ye are trouble.
Skitter 1138: ::then back to Niqui:: 'Sbeen on the board out there fer a while... ::pointing to the corkboard outside...::
CaptRaphaelDolek: @ Outside the tavern, Dolek rode up to the tavern wearing casual clothing. The emblem on his cloak, however, showed him to be a captain in the Klockwork Army.::
Niqueliece: I haven't been here for a while, and I rarely read the board. It's usually just bad news. I've been here maybe twice in the past month.
Angelique Matteo: ::The musicians in the corner was playing a lively little tune, but not terribly loudly, as the evening had just gotten started.::
Skitter 1138: Oh... Well, there's a big ice sculpture contest an' a snowball fight tonight... an' food an' stuff... An' music... ::pointing to the musicians...::
Niqueliece: :: smiles :: Sounds like fun.
CaptRaphaelDolek: @ ::He wandered past the ice sculptures, giving them a look over, then headed to talk to the soldiers on guard.::
Niqueliece: >> Iris: :: absently thumping her lil feet against the bar ::
DanteVoltan: ::laughs at the young girl::
Angelique Matteo: ::Servers came around, doling out portions of mulled cider and wine. Someone must have provided it, because the servers didn't seem to be charging for it.::

Niqueliece: >> Iris: :: watching the grownups with curious hazel eyes as she drinks her milk ::

WG Braven: ::the portal begins to flicker to life, softly at first then arcane energy began to build::

Skitter 1138: ::snags some cider from one of the servers... glowering still at Dante...::

DanteVoltan: Whhhaaaat? ::looking again to Skit::

Skitter 1138: You know what...

WG Braven: ::a few crackles of energy seemed to "pop" off the portal as it came to full activation::

Angelique Matteo: ::One of the pretty servers ran her hand over Dante's head on the way past and smiled::

CaptRaphaelDolek: ::He made his way into the tavern, his dark eyes smiling at the site::

DanteVoltan: ::chuckles at the server as she drifts away, trying to keep his mood merry::

Skitter 1138: ::can't help but smirk at the pretty server's attention...:: Behave yerself... ::to Dante::

DanteVoltan: You know....being twenty and six ain't so bad.....absently::

Angelique Matteo: ::The serving girl passed by Dolek:: Evening, sir. Some cider, some wine?

Niqueliece: Twenty-six what?

Skitter 1138: Yer too old...

CaptRaphaelDolek: Wine sounds wonderful.

DanteVoltan: Tis my age.....Yesterday was my day of birth!

WG Braven: ::the portal seemed to settle down after a moment::

Angelique Matteo: ::The serving girl offered him up a goblet from the tray she'd been toting around:: Here you are. On the house.

DanteVoltan: ::smiles and raises the goblet, then handed the girl two coppers:: My thanks!

CaptRaphaelDolek: You're my savior.

Angelique Matteo: It's my job. ::She smiled at Dolek. Then turned to Dante and accepted the coppers with a wink::

CaptRaphaelDolek: ::Taking the goblet, he moved to the firepit to warm up::

Angelique Matteo: ::Then the serving girl sashayed her way back towards the kitchen, to fetch more wine and cider::

Niqueliece: :: sips her own cider ::

Niqueliece: >> Iris: :: looks up to Dante, smiles brightly :: Happy Birthday

Skitter 1138: ::a glance toward the portal, wondering a little... then another swat to Dante:: Stop flirtin'... She's too young fer ya.

Cravideous: he handed the reins to the stablehand and made his way toward the tavern, wearing a pair of brown leather pants and a nice, but plain white tunic tucked into the pants, a nondescript sword slung across his back::

Niqueliece: :: smiles :: Yes, happy birthday

DanteVoltan: I'm not flirtin! I'm being civil! And thank you both! ::to Niq and Iris::

Skitter 1138: She's still too young...

Niqueliece: >> Iris: :: giggles ::

Niqueliece: :: grins at Skits :: Iris or me?

Niqueliece: >> Iris: Bode!

Niqueliece: :: laughs ::

Skitter 1138: ::laughs to Niqui...:: Yeah, both... An' the servin' girl too...

CaptRaphaelDolek: ::Smiling slightly at the interaction between the others, he glanced at the newest arrival::

DanteVoltan: ::chuckles shaking his head:: Seems everyone views me as a blasted walkin cadaver!

Niqueliece: >> Iris: :: giggles happily ::

Niqueliece: Well, you're younger than me if that's any consolation.

Skitter 1138: *::nods:: Ya din' see them grey hairs yet?*

Carson Wilts: @::He walked slowly up the torched lit path. The crunch of old frozen snow under his feet as new flakes began to fall:: This is the Crosswinds. ::He held out his hand to Chelsea::

Craveious: ::His normally pale skin was tanned now, nodding his head to the guard to his left before pulling the door wide and strolling within the tavern proper, b-lining for the bar::

Chelsea Dren: *@::She drapped her arm on his and leaned close.::*

Angelique Matteo: ::On the counter, there were pitchers of wine and cider set out. But Asa was there too of course. Not everyone wanted just wine or cider::

DanisiaChambray: Food is served. ::Dani came out from the kitchen with a huge platter of meat::

Chelsea Dren: *@Thanks. For asking me, Carson. I enjoyed your companionship*

Skitter 1138: *::and a grin to Dani:: Good! Dante's been starvin' me like usual.*

Chelsea Dren: *so much.*

CaptRaphaelDolek: ::He raised a brow, recognizing the serving girl::

DanteVoltan: Hey! I be a walkin corpse! I don't need food! You should suffer too!

Craveious: ::Taking a seat, he waved for Asa and placed an order for an ale::

DanisiaChambray: Well, we can't have that now, can we?

Carson Wilts: @ :: He pulled opened the door, the smell, the warmth, the sounds spilled out as he turned to Chelsea::

DanteVoltan: ::drags foot as he ables to the bar::

DanteVoltan: See?

Niqueliece: See what?

DanisiaChambray: ::Laughing, she went back to the kitchen to get another platter::

Skitter 1138: *::reaches over and yanks out a grey hair from Dante's head....::*

Chelsea Dren: *@::She tugged on his arm, before entering.::*

DanteVoltan: That Im a walking corpse

Chelsea Dren: *@Carson...*

Carson Wilts: @ Just be careful ::he whispered to her::

DanteVoltan: Hey!!! Ye found the stray hair I missed while shaving!

Angelique Matteo: ::The musicians began a whimsical song, one that sounded almost like...the beginning of spring::

Skitter 1138: *::shrugs:: Figured it'd help.*

Craveious: ::His eyes turning to the troupe of musicians in the corner as he lifted the mug that Asa placed before him and took a drink::

Chelsea Dren: *@ ...but you weren't. ::And she blushed.::*

Angelique Matteo: ::And in through the southern door came Angelique, dusted lightly in snow. She blinked it out of her eyelashes as she took off her cloak::

Carson Wilts: @ ::He stood at the door, opened and ready for her:: Come on.....

Craveious: ::An exhale after taking a deep drink:: ...damn that's good. <q>

OnlineHost: "HavocSadani" has entered the room.

Chelsea Dren: *::She followed without one disregard.::*

Carson Wilts: ::He closed the door behind them and gently guided her to the counter::

Angelique Matteo: Hello hello. ::She looked around, taking in the sights::

Skitter 1138: *::a glance and a smile to Angelique:: Hey boss lady!*

DanteVoltan: Hello Ange! Guess what! I be a year older. ::grins::

Craveious: ::Eyes turning here, then there::

Angelique Matteo: Skitter, Dante. Good to see you. Hello Niqui.

Angelique Matteo: And congratulations Dante!

Chelsea Dren: *::She looked up and winked at him.::*

CaptRaphaelDolek: ::He nodded to Angel and smiled, remembering her from Drake Day::

Angelique Matteo: ::She nodded in greeting to Dolek, and after a beat, gave a small smile::

Carson Wilts: There is lots to drink. Do you? ::He looked over the selections of free beverages::

Craveious: ::The former Solar swallows down another long drink of the ale::

Angelique Matteo: ::The serving girl was back out and about again, with smiles and mulled drinks for all::

Niqueliece: :: smiles :: waves to Angel ::
Niqueliece: >> Iris: :: waves to pretty Angelady ::
DanisiaChambray: ::Out she came again with more food, humming to the music::
Chelsea Dren: *Me? You know I do, Mr Wilts.::*
Skitter 1138: *::smirks, and swallows some more cider....::*
Angelique Matteo: ::Angel helped herself to a mulled wine and then stood there in the commons. When she spotted Dani, she waved::
Carson Wilts: ::He glances to around. :: Then what slips down easiest tonight?
OnlineHost: "Ysanne Solaste" has entered the room.
DanisiaChambray: *We have plenty of food. Grab some.*
OnlineHost: "Nauli Muo" has entered the room.
Cravideous: ::His eyes lifted to the mirror, somewhat hidden by the sloppy bangs there, and watched Raphael for a time, silent::
Angelique Matteo: ::Her gaze drifted...passed over one of the men at the bar...then she blinked and looked more closely. Was it...? No, couldn't be::
Skitter 1138: *::snags some food too and starts munching hungrily::*
Chelsea Dren: *Carsoon, pick one for me, Your taste was exquisite.*
Angelique Matteo: ::No, she was seeing things, that was all. She drifted closer to Dante and Skitter.:: So, going to be in the snowball fight?
Carson Wilts: ::He noticed that emblem on the cloak and watched the Captain for just a moment::
OnlineHost: "DanteVoltan" has left the room.
Skitter 1138: *::grins at Angel:: Who, me?*
CaptRaphaelDolek: ::He moved away from the fire and towards Angel, she being the only one he recognized here::
Angelique Matteo: Yes, you. You look like you'd be a hard target to hit. ;she smiled::
Skitter 1138: *Great aim, though... ::nods::*
Carson Wilts: ::Smiled and snatched two wine glasses from a nearby tray::
OnlineHost: "DanteVoltan" has entered the room.
Angelique Matteo: Hm. I'm not sure how good mine is. Did either of you see the ice sculptures outside?
Skitter 1138: *Don' think Dante could hit a snowball wi'the side of a barn, though...*
Angelique Matteo: Oh good. We'll eliminate him first then. ::she laughed::
Niqueliece: >> Iris: (s) Me hit barn
Cravideous: ::The mirror projected them both perfectly, if in reverse... his soft eyes followed Raphael to Angel as he took another drink, his thumbnail scratching at the side of the mug::
Niqueliece: :: chuckles soft :: (s)Shhhh
OnlineHost: "MissAmorina" has entered the room.
Chelsea Dren: *::She watched hands, and held his arm tighter.:: Carson?*

Carson Wilts: What?
Angelique Matteo: ::If she was aware of Dolek's approach, she didn't show it immediately. She did take a good sip of wine however::
CaptRaphaelDolek: Good evening, Angel.
DanteVoltan: *I throw just fine! And I saw the carvings cause I made one*
Angelique Matteo: ::Another sip.:: Hello...should I call you Captain?
Chelsea Dren: *Snow fight!*
Skitter 1138: *::smirks:: 'Swat you say...*
CaptRaphaelDolek: Raf will do. I'm off duty.
Cravideous: ::The thumbnail caught a nick in the wood of the mug and plucked at it, eyes narrowing a bit::
Angelique Matteo: Raf. I saw that you are one of the judges?
Chelsea Dren: *Oh, I hate them. I much prefer indoor.....*
Carson Wilts: Not now, ::looked toward the wine:: First we drink, then we play.
DanteVoltan: *::he kept his face impassive, but he didn't like being so close to a Klock Captain::*
Niqueliece: >> Iris: :: looks at the Klock officer curiously ::

CaptRaphaelDolek: Yes. I didn't see one from you though. Not wanting to enter?

Cravideous: ::He kept plucking at the bit of wood on the mug's side::

Skitter 1138: *::watches the soldier warily too... of course she had her own reasons...::*

Chelsea Dren: *::Looks about the room slowly beneath her squinted eyes...::*

OnlineHost: "Dara Liana" has entered the room.

Angelique Matteo: I was busy honing my snowball throwing skills. ::A hint of a smile at that:: I'm becoming quite dangerous.

CaptRaphaelDolek: ::He laughed at that:: I'm not about to enter the snowball contest. I'd be the main target.

Angelique Matteo: ::To herself, perhaps::

Niqueliece: >> Iris: :: leans over, studying the man ::

Angelique Matteo: Probably true.

Dara Liana: ::and the kitchendoor falls shut behind her :: Good eve!

Chelsea Dren: *::then they looked brightly to Carson...:: Can we?*

Angelique Matteo: ::She chuckled::

Carson Wilts: Here, ::he motioned to a stool at the bar:: Sit down.

Skitter 1138: *::yawns and stretches exaggeratedly... giving Dante a swat as she does::*

CaptRaphaelDolek: Hello little one. ::He noticed Iris' attention::

Nauli Muo: ::shuffles in with a slap of the door and shakes off the chill:: Brrr....

Angelique Matteo: So which sculpture was yours, Dante? Or should we have you say in front of the judge?

Skitter 1138: *::then a wave to Dara:: Hey,*

Angelique Matteo: And good eve, Dara! ;she called out::

Dara Liana: ::holds up a list and calls out:: Time to sign up for the snowball fight!!!

Sherakai: ::Kai thumped in through the front door, calling back over his shoulder:: Yeah, and I know where you live, too!

DanisiaChambray: *::Following Dara out of the kitchen, she tucked her hair back into place and moved around to the other side of the bar::*

Nauli Muo: ::looks back at the newest::

Niqueliece: :: keeping an eye on the little girl, knowing her penchant for getting into trouble lately ::

Chelsea Dren: *::She was already half on the stool by the time he offered. Straying eyes, and thoughts of tufting maidens charms with an icy ball had already distracted him from last evening. She sat wih an umpfh...::*

Nauli Muo: This place seems rather lively.::to Sherakai, loud over the din::

WG Braven: *::the portal flared to life again, almost violently::*

CaptRaphaelDolek: I'm Raf. Who're you?

Tyndarra: *::bounces in the door, her eyes shining with excitement::*

Niqueliece: >> Iris: :: holds up her right arm, showing a bright purple iris on her white sleeve :: Isa fwower

Dara Liana: So three brave souls already ::smiles and takes down names::
Angelique Matteo: Tell me it isn't just me, you and Skitter throwing snowballs, Dante. Is anyone else signing up?

Chelsea Dren: *::She heard Raf. And looked, and winked.::*
Niqueliece: >> Iris: :: shakes his hand ::
Niqueliece: >> Iris: Wha' oo do?
Carson Wilts: Come on ::Still encouraging Chelsea:: A little cold might do you some good.
CaptRaphaelDolek: It's a very pretty flower.

Skitter 1138: *::grins to Angel:: One on one on one...*
Angelique Matteo: ::Her gaze drifted over those at the counter again::
WG Braven: *Gooooooooooooo evening folks! ::the portal spits out a half-elf, golden hair tied back behind his head and golden eyes dancing:: Snowball fight?!? I'm In!*
Niqueliece: >> Iris: :: nods :: Me Tannie Way did it for me.
Nauli Muo: ::his eyes brightened and he seemed to float toward the bar...minus the tapping of his boots:: This is wonderful.
Skitter 1138: *Or girls against boys...*
CaptRaphaelDolek: Well it's as pretty as you are.
DanteVoltan: Seems s.....:his words cut off at the loud half elfs proclamation:: Or not
Nauli Muo: ::moves up to Dara to sign up:: Over here! ::hand waves::
Dara Liana: And you are :to the newcomer::

Chelsea Dren: *A little warmth would do more!!*
Meiling Okalani: *::her feet shuffled across the wooden floor quickly as she moved to set the platters on the countertop of the bar::*
CaptRaphaelDolek: Incoming! ::Calling out seeing the snowball::
Nauli Muo: Nauli Muo!
MissAmorina: *::Eventually she managed to make it to the porch. Peaking through a window first, she slipped inside...behind the snowball...looking over her shoulder to see where it had come from::*
Dara Liana: ::Blinks:: Who is getting ahead of himself! ::snarls at the door::
Nauli Muo: That's N-A-U-L-I M-U-O.
Skitter 1138: *::grins at Dante... ducking instinctively at the snowball::*
Sherakai: What do you mean "I made it"? Did you think I'd let those ruffians outside do me in? ::Laughing, he kissed Dani's cheek::

Nauli Muo: *::well, maybe not:: Muuuuo.*
MissAmorina: *::She quickly moved away from the door to avoid anymore that might be coming*

Nauli Muo: Is there food?
HavocSadani: ::He got a fine AHA! look on his face::
Angelique Matteo: ::Snowballs, damned unpredictable things::
Niqueliece: :: smiles, kissing the top of her head ::
DanisiaChambray: Hungry, or going to throw snowballs first?
Dara Liana: How about Nauli ::smiles:: and I am not your lovy ::to the elfish one::
Angelique Matteo: Dara! Make sure Havoc is signed up for the fight!
Cravideous: ::One last drink of his ale and it was emptied::
Sherakai: I need my energy!
Nauli Muo: ::snow was unpredictable::
Carson Wilts: You been held up too long and the thought of throwing a snow ball at me must hold some interest.
Chelsea Dren: *::Looks around.:: You want to throw snow? ::Said to Carson but loud enough for all to hear.::*
Dara Liana: Havoc will be signed up and if he tosses one more ball in here I will make sure to deduct points before the fight!
Meiling Okalani: ::she wiped her hands on the apron covering her light blue linen gown, the sleeves of which flowed in a v cut and the tips brushed the floor as she moved::
Cravideous: ::was emptied*::
Sherakai: ::One hand on Dani's shoulder, he headed for food and proceeded to put together a trademark Kai-wich::
Carson Wilts: Admit it. ::He drank:: You do too.

Carson Wilts: ::He laughed::
WG Braven: *::waves:: 'ello Skit! Ye be looking extra attractive this eve. ::flashing his best rogue smile::*
Chelsea Dren: *I would*
Sherakai: ::He waved the bread creation at Raf:: Like I could stop her. There's food!
Dara Liana: Lady Ami up for the snowball fight?
Sherakai: Hullo, Angel!
WG Braven: *Name's Braven Miss ::to Dara::*
Skitter 1138: *::grins some more:: Thanks...*
Carson Wilts: You would if you think you could.
Meiling Okalani: ::from behind the counter, her chocolate brown eyes looked over the patrons seated on the other side of the counter to see if anyone needed a drink::
Chelsea Dren: *::Then she snickered.::*
Dara Liana: Braven will go down on the list.
DanteVoltan: Ami is all in to the fight!!
Skitter 1138: *The fight's everyone against Dante, by the way...*
HavocSadani: Sure, y'do!
Nauli Muo: ::waves to Meiling:: Pardon me, Miss. Could I have something with meat in it? Do you have fish?
CaptRaphaelDolek: ::He went to get another wine, then moved a bit away from the growing crowd::
DanteVoltan: *::a sour look for Skitter!:*

Carson Wilts: But I guess we could only answer that out there with the snow balls huh?

MissAmorina: *::Glanced down to Dante, giggling some:: Apparently. ::answering Dara::*

Dara Liana: Good I would hope you join Ami.

DanteVoltan: *::then throws Ami a wink at her giggles::*

Meiling Okalani: *::she moved toward Nauli and pressed her hands together to bow slightly in front of him:: There is meat, good sir.*

Sherakai: *::He peered Dara-ward:: Is Kai on that list?*

Meiling Okalani: *::she motioned toward the platter of beef/venison::*

Meiling Okalani: Fish not come.

MissAmorina: *Why's that? ::To Dara, her eyes roaming the crowd gathered::*

HavocSadani: *::Bump, oops!:: Sorry!*

Dara Liana: Do you want Kai to be on it *::laughs::*

Chelsea Dren: *::Looks to Carson and then exclaims.:: Meat is not fish ask him. ::and Points.::*

Cravideous: *::Cravideous stood and grabbed an apple slice..... well, make that an entire sliced apple, and headed for the door, stepping out onto the portico::*

Sherakai: Kai should definitely be on it. I got me some vengeance to take!

Meiling Okalani: *::blinks at Venture's shouting, but quickly returns her gaze to Nauli::*

MissAmorina: For you? You're not going to help me?

Meiling Okalani: Cider. Yes, good sir. *::bowing slightly again:: Hot?*

Nauli Muo: *::chuckles politely:: Yes. Ale to drown a goat and beef and some warm cider.*

HavocSadani: *::He tugged his crimson scarf tidy and turned around, right into Angel. He smiled happily:: There y'are!*

MissAmorina: *::She spotted Carson, and then the woman next to him taking a moment to look her over then turned her attention to Dara::*

Meiling Okalani: Ale, yes, yes... *::bowing again::*

DanisiaChambray: Then I better be on that list too. So I can nail a snowball tosser. *::She eyed Havoc::*

DanisiaChambray: *What's your point? ::Her eyes glittered with mischief::*
Meiling Okalani: ::bowing she turned and grabbed a tankard then dunked it into the house ale barrel before sliding it toward Venture then shuffled off toward the kitchen for Nauli's ale::
Chelsea Dren: *Oh the fish is gone Carson, never mind.*

Meiling Okalani: ::goes to refill the empty cider from the bar, yeah, that's it::
Carson Wilts: I am too late?
Nauli Muo: <Venture Mayato> ::throws back a mouthful of ale:: It is good to see such high spirits. No more chaos, no more nonsense.
HavocSadani: ::He helped himself to a cider:: This'll do.
Chelsea Dren: *::Raises the glass she sips her wine feeling the flush of her words.::*
OnlineHost: "Cravideous" has entered the room.
Cravideous: @ ::He bit into one of the slices and chewed, exhaling a foggy cloud of steam before swallowing the bit of fruit::

Nauli Muo: <Venture Mayato> Did I ever tell you about the Outlanders who tore this bar apart? I'm not sure why you wanted to come down here.
HavocSadani: You know what happens when y'drink your wine too fast...
DanteVoltan: OW! ::throwing on his cloak and gloves::
Carson Wilts: ::He looked to the bar noticing Ami and then back to Chelsea:: You playing in the snow?
Nauli Muo: ::stares at the ale...then down the bar at the cider:: Oh, that's good.
Sherakai: ::He just smiled, then looked around for Raf again. Where had he got off to?:
Meiling Okalani: ::bowing again, she set the mug before Nauli, then skittered backward to watch the chaos that was the tavern this evening::
Angelique Matteo: You like what happens when I drink my wine too fast. Are you in the snowball fight?
Dara Liana: ::looks down her list:: Let's see we got Angel, Ami, Dante, Skit's, Nauli, Havoc, Kai, Braven and ::looks at Carson:: You wanted to join as well?
Nauli Muo: <Venture Mayato> Well, you asked for it.
Nauli Muo: It was for you.

Skitter 1138: Hey, Dara! I think you should give extra points for hitting the birthday boy here! ::points to Dante::

CaptRaphaelDolek: ::Raf was by the fire, drinking his wine::

Carson Wilts: I do! ::raises his wine glass::

Chelsea Dren: *::she caught his look and gave him a glancing elbow to the side.::*

Dara Liana: Oh ::grins:: maybe we will

DanteVoltan: ::raises a brow and mumbles:: Oh goodness

Nauli Muo: <Venture>

Nauli Muo: ::smiles::

Skitter 1138: **::can't help but chuckle at Dante::**

Nauli Muo: <Venture> ...

Nauli Muo: <Venture> Whatever.

Angelique Matteo: Where's my cloak! My gloves! I must prepare! ::mock drama::

Nauli Muo: ::smiles to Meiling:: No, no. You are very much in the right, Miss...what was your name?

Chelsea Dren: *No, but you sure can smell them, Carson Wilts.*

HavocSadani: ::Cheese and bread and .. oh, cookies! He perked up as he snatched a few::

Dara Liana: Thank you ! ::one more name added to the list::

CaptRaphaelDolek: I'm an observer. You're in big trouble.

HavocSadani: I thought you'd be ready by now. What've you been doin'?

Meiling Okalani: ::looking down at her feet, she mumbles:: Meiling.

Angelique Matteo: Drinking! ::She laughed and darted off to get her things.::

Carson Wilts: ::laughs::

Sherakai: Observer? You? ::he scoffed::

MissAmorina: *::Glances down the bar to Carson and company once more, then makes her way down to Havoc and Angel:: Angel, how'd yo uget him to agree to come out in the snow? ::giggling::*

Angelique Matteo: I suppose we'd get disqualified if we started firing them at Dara, wouldn't we?
Skitter 1138: ::out of nowhere, one goes flying toward Dante... whoops!::
Darius el Aren: So. ::smiling at the varying sculptures round and about:: What the blazes ...

Dara Liana: (I have no idea who is using @ for anything anymore and I will now only address the signed up players for the snowball fight)

Dara Liana: ::to Carson:: You did well in the fight Carson.

Angelique Matteo: I maybe went into the wrong profession, you think?

Meiling Okalani: ::she blinked in surprise at Dara:: No. No wine. Meiling not have.

Dara Liana: ::Leans against the counter and oh so does her best not to look over to Darius the Sailor::

Carson Wilts: ::He looked at Ami and all her prizes:: Not well enough. But, I am afraid I have to leave.

Darius el Aren: Can always change that. ::he looked back, momentarily serious, then smiled nice an' warm::

CaptRaphaelDolek: ::He stepped forward:: Are we ready to hear the results of the ice carving contest?

MissAmorina: ::She admired the blanket running her hand over the soft fabric:: Feel how soft this....You do?

Carson Wilts: How are things? ::he looks to Kai::

HavocSadani: Is there such thing as a snowball throwin' profession?

Nauli Muo: <Venture>::sits down at the bar::
DanteVoltan: ::perks up:: Ice carvings?
Angelique Matteo: There could be. For a few months of the year.
Meiling Okalani: ::hearing Raf speak she stopped mopping, a bit of water nearby seeming to get sucked into the mop without her moving it over that spot as she loses concentration::
Nauli Muo: ::to Venture:: These are wonderful socks.::wiggles his toes where no one can see::
Dara Liana: ::sighs at Meiling:: well make sure you get some warm cider later, this is a festival day after all.
Darius el Aren: ::his chuckle was long and low:: have to tack up a notice or two, see if you get any takers.
OnlineHost: "Carson Wilts" has left the room.
Meiling Okalani: Yes, good miss. ::a distracted nod at Dara as she stared expectantly at Raf::
Darius el Aren: ::he let out a soft sigh:: I'm off for a good sleep and a warm bed. ::he grabbed up some warm cider:: But I'll take along one of these.
HavocSadani: I should think one night a year would be plenty enough t'freeze you for days.
OnlineHost: "WG Braven" has left the room.
Darius el Aren: ::soft, even::
OnlineHost: "Calo Lowso" has entered the room.
Angelique Matteo: Was good to see you, Darius. Take care! I'll let you know how my career search goes.
Dara Liana: ::gives Meiling a puzzled look and wonders what in the world Asa has told the girl::
CaptRaphaelDolek: Will those who did a sculpture step forward? ::He moved to stand next to the firepit::
HavocSadani: ::He thought the cider thing a good plan and reached for one of his own:: G'night, Darius.
BlissNLvjy: There was ice carving? ::chuckles softly into her tea cup::
Calo Lowso: @ ::pushes in from the kitchen and stops dead:: What the heck is this? Where all these people come from?
Dara Liana: ::lifts her mug and sighs:: Good night Darius. ::from behind the counter::
HavocSadani: ::He handed Angel the cider::
Darius el Aren: Please do! ::his eyes glittered merrily:: Good eve Angel, Havoc. ::he headed for the stairs::
Meiling Okalani: ::she settled the mop against the wall and brushed her hands down over her apron then slid them into her sleeves and shuffled toward Raf::
Dara Liana: ::Oh no Calo, this will not be good, her running into lovestruck Dara::
Darius el Aren: Good night Dara! ::he called with a warm grin::
DanteVoltan: ::hops up to stand where indicated for the carvings::
Angelique Matteo: Thank you. ::softly, so as not to interrupt the announcements::
Calo Lowso: I'm not takin' all these orders ::thorws the dish cloth down::
Dara Liana: ::waves after Darius::
Dara Liana: ::frowns hearing THAT voice:: Calo!
MissAmorina: ::Settles onto a stool near Dara, sipping her wine:: And why don't you chase after him? ::softly to Dara, teasing::
Calo Lowso: Who's gona clean up this mess?
DanisiaChambray: Just the two?
Dara Liana: ::snorts:: YOU do not have to...the mulled wine is free tonight!
Sherakai: Well, and us...
DanisiaChambray: ::She pushed Kai forward::
OnlineHost: "Darius el Aren" has left the room.
Calo Lowso: Oh ::so she grabs one and chugs it::
Dara Liana: I am not going up where Ami! ::looks shocked::
MissAmorina: ::Laughed::
Sherakai: No, no! ::he tried to protest::
Dara Liana: What mess?
DanisiaChambray: Go!
Calo Lowso: Who is she chasing? ::now that caught her interest and she squints to Ami::

Meiling Okalani: ::she stared at her feet as she stood in front of the Captain::
Dara Liana: ::looks out to Meiling and has a thought:: Here have another wine and I am chasing NOBODY!
CaptRaphaelDolek: Your names?
MissAmorina: The sailor. ::To Calo::
Calo Lowso: Go, go, go ::cheers Dara::
CaptRaphaelDolek: Kai. Get up here.
Calo Lowso: A sailor!...::laughs::
Meiling Okalani: ::softly, barely audible:: Meiling. ::still staring at her feet::
CaptRaphaelDolek: Ah yes.
CaptRaphaelDolek: And you sir?
Calo Lowso: ::She looks at Meiling:: Who is this?
Sherakai: ::Giving in with a laugh, he went "up there"::
MissAmorina: Oh look, they're doing the prizes for the sculptures....::pointing towards those at the fire::
DanteVoltan: Dante sir
CaptRaphaelDolek: Which was yours?
Nauli Muo: Sculptures?
DanteVoltan: The faceted egg and pedestal with the candle.
Calo Lowso: Ice stuff. ::looks toward the Captain::
BlissNLvjy: ::she really needed to get away from the academy more often::
Dara Liana: ::cleans the counter:: so he is a sailor..and so what, he is very nice and respectful to women..
CaptRaphaelDolek: Ah yes. And Kai's I know. That leaves two of mention without names.
Calo Lowso: Oh sure...::grins to Dara::
Dara Liana: Oh this is the new help, be nice to her Calo, she is shy.
Meiling Okalani: ::she stood perfectly still, hands in her sleeves, eyes on the Captain's boots::
Sherakai: ::He tried to look affronted:: How do you know?
CaptRaphaelDolek: Anyone claiming 'Forever my Love'?
Nauli Muo: ::to Dara:: Could I have my free drink?
CaptRaphaelDolek: Your name was with it?
Dara Liana: What would you like?:To Nauli:: wine? Serky?
Calo Lowso: Forever My Love? ::gags::
Sherakai: Was not ::he grumbled, then grinned and took a drink of his cider::
Calo Lowso: She is too still ::pokes the new girl::
Angelique Matteo: ::Angel's sculpture had started off looking like a block. It became a smaller clock, and a smaller one...at which point she'd given up.::
CaptRaphaelDolek: What about the woman's head? The one with the interesting details?
Dara Liana: Calo::tosses rag at Calo::
Angelique Matteo: *smaller block
Calo Lowso: That's mine! ::waves her hand::
Meiling Okalani: ::is standing in front of Captain Dolek when she is poked, she doesn't move::
CaptRaphaelDolek: Well, come up here.
Calo Lowso: Come up? How come?
Sherakai: Because you're so special.
Dara Liana: ::waits for Nauli to place his order::
Meiling Okalani: ::she didn't even look at Calo, simply stood there::
Calo Lowso: Did you see that? She doesn't move? ::watches Meiling::
CaptRaphaelDolek: So I can give out the prizes.
Calo Lowso: Prizes! ::and she is up there, bouncing around::
Dara Liana: ::special, yes Calo is a special case which should be locked up in the cellar with the spiders::
MissAmorina: Go on Calo. Maybe you won some- ::grinned as she joined the others::
Sherakai: ::He snorted a laugh:: You're so transparent, Calo...
Nauli Muo: Serky!
Nauli Muo: <Venture> Oh no.

DanteVoltan: ::shakes his head with a chuckle, Ahh good crazy Calo::
Dara Liana: Coming up and keep ye silver chips, this one is on me.
Calo Lowso: I am clear, that all...::snickers to Kai::
Nauli Muo: ::Nauli basks::
BlissNLvjy: Are you frozen yet, Angel?
Calo Lowso: You do a ice thing? ::to Kai::
Sherakai: ::He scrunched his face:: I remember something about "clear" and "bells"..
Dara Liana: ::turns around and reaches for the Serky bottle and glass, and fills the glass to the rim:: Here you go, it's not very cold but it will still be good::hands over the glass::
Angelique Matteo: Slowly thawing. ::she smiled to Bliss:: I can feel some of my toes now.
Sherakai: I did. Do you mind?
BlissNLvjy: Bet they tingle.
Nauli Muo: ::Nauli sips it slowly and occasionally makes faces as he has to swallow::
CaptRaphaelDolek: We have three prizes and two worth mentioning. One, however, is unclaimed. Feel free to go out and look them over afterwards.
Dara Liana: Sorry about the fishy snowballs.
Angelique Matteo: A bit. How have you been?
HavocSadani: Sorry, can't warm your toes. Yet...
Calo Lowso: ::laughs:: I wouldn't think you would get your hands cold.
BlissNLvjy: Same as I always am these days. ::looks at Havoc, blinks once then turns her dark gaze back to Angel:: Glad to see you do well.
Calo Lowso: But I bet you win. You have that kind of luck.
Dara Liana: ::whispers to Ami:: I cannot charge after that man, he is just nice to look at ya know ::winks::
Sherakai: ::He looked around the room, doing the one brow up, one brow down thing::
Sherakai: -Dani! Our hats! The snowball players didn't get their hats!-
Angelique Matteo: Thank you. ::with a smile::
Calo Lowso: Who won? Who won? Who won?
MissAmorina: ::Grins to Dara:: Is he? I didn't notice. ::winks::
Sherakai: That would explain why I so badly lost the snowball fight...
Calo Lowso: You did?
Dara Liana: Maybe, once I have my own shop like Angel I be bolder :: smiles a little:: till when, I am only a barnmaiden after all.
Meiling Okalani: ::was the water nearby puddling around Calo's feet?::
Dara Liana: ::would serve Calo right!::
Meiling Okalani: ::was it slowly beginning to solidify into ice?::
Sherakai: ::He must nodded, then was quiet so that Raf could go on::
Calo Lowso: ::It was, but she is so use to crap she doesn't even notice::
Calo Lowso: ::wait...ice?::
CaptRaphaelDolek: Most Creative goes to Calo. ::Descriptions will follow::
Dara Liana: ::is getting protective of Meiling, after all she cleans without complaining about it::
Angelique Matteo: ::She clapped::
CaptRaphaelDolek: ::At first glance it is the head of a young woman. Two small strands of hair are pulled back from her face and twisted around each other running down her back with the rest of her icy hair.
Calo Lowso: YA! ::she jumps and then...slid on the ice..and smack right on her butt::
Nauli Muo: ::peeks back at Calo, still sipping at his serky::
Meiling Okalani: ::she nodded and glanced toward Calo as she fell::
Dara Liana: ::Bites down on her lower lip so she does not chuckle::
Sherakai: ::Automatically, he reached out to catch Calo::
Sherakai: You all right?
BlissNLvjy: ::broke out laughing at the butt landing::
Meiling Okalani: ::she winced inwardly, outwardly no emotion flickered across her face but her eyes twinkled with mischief::
MissAmorina: Oh no. ::Seeing Calo go down::

Calo Lowso: ::grabs for that extended hand::
HavocSadani: ::Snortlaugh::
Angelique Matteo: ::Clapping, giggling::
CaptRaphaelDolek: Her forehead glistens above large round eyes. Her checks are high and her lips are full surrounding a mouth slightly opened. And that could be all you see, if you do not take the time to look closer::
Meiling Okalani: ::quickly she returned to staring at Raf's boots::
Sherakai: ::Hauled her back onto her feet and gave her a wink::
HavocSadani: I thought I was th'only one tha' did tha'...
MissAmorina: I would never have guessed that she could make sculptures. ::to Dara::
Calo Lowso: :::Stood quickly as if I met to do that::
CaptRaphaelDolek: The Funniest goes to Kai.
CaptRaphaelDolek: ::An ice ogre of massive proportions stands about 10-12 feet in height. It sports spiky hair, something that might be a lizard earring on its left ear, and a stupendous (really over the top)
Dara Liana: Calo may be crude::said low:: but she is not stupid
CaptRaphaelDolek: sword with a handle in the middle (or actually toward one end) of the blade. Ice britches are held on by a real rope around his waist, and BOY does he have muscles!::
Sherakai: On behalf of Kelwin's Orphanage for children ::He extended one hand and made a fine bow::
MissAmorina: ::She clapped and whistled for Kai::
Calo Lowso: For who?
Nauli Muo: :: marvels::
Angelique Matteo: Kai doing a comical one, imagine that. ::laughing::
Nauli Muo: ::DC's::
BlissNLvjy: ::clapped a bit for Kai::
Nauli Muo: ::DC = displays connoisseurship::
Meiling Okalani: ::she nodded and glanced toward Kai, then once again returned to looking at those boots::
Meiling Okalani: ::boy were they shiny::
HavocSadani: ::He clapped:: Yay, Da! ::whistle::
DanteVoltan: ::listens quietly to the awards::
Calo Lowso: ::She couldn't help it she had to poke that new girl again:: Hey, hey....
CaptRaphaelDolek: And best use of Magic effect goes to Dante.
Meiling Okalani: ::she didn't squirm, didn't move, didn't look::
Sherakai: Thank you. Thankyouverymuch ::He grinned::
Angelique Matteo: ::More applause and whistling::
MissAmorina: ::Clapped again for Dante::
DanteVoltan: ::smiles:: Well glad I learned something in school. ::grins::
Calo Lowso: Wow..someone really trained that one. ::watches Meiling:: Where did you get her? ::calls out to Dara::
CaptRaphaelDolek: ::An egg rests upon a pedastal also carved of ice. The sculpture can not be claimed to be "expertly done" but it's not crude either.
HavocSadani: ::He helped himself to Angel's cider, then edged behind her to pull her up against him:: Wow, you *are* cold... Spend all your time sittin' in th'snow, didja?
Calo Lowso: What did we win? What did I win?
CaptRaphaelDolek: A small, candle sits inside the hollowed out ice egg. Once activated casts a soft light, reflected through the facets in the ice::
Meiling Okalani: ::was there water moving from the mop against the wall across the floor toward Calo's feet?:
MissAmorina: I didn't think she was, but I'd never have guessed she'd have the patience for an ice sculpture ::finally responding to DAra::
HavocSadani: Hey, Donty! ::another approving whistle::
DanteVoltan: ::grins and bows:: My thanks!

Meiling Okalani: ::she nodded toward Dante and then quickly glanced at Calo before looking down at Raf's boots once more::

BlissNLvjy: ::More clapping of a hand against a knee::

CaptRaphaelDolek: And... ::He paused:: For Best of Show goes to Meiling.

Calo Lowso: ::She looked to the floor:: Are you making water? ::to Kai::

Sherakai: Nope. You? :He looked at the growing puddle::

Meiling Okalani: ::she blinked and slowly looked up at Raf::

Calo Lowso: I don't think so.

CaptRaphaelDolek: ::The sculpture shows three dolphins jumping from ocean waves. The waves are curved with indentations in them that, with just the right light shining through them, make them seem as if they are really moving.

Meiling Okalani: ::one hand slid out of her sleeves to cover her mouth to hide a smile, her eyes twinkling with happiness::

CaptRaphaelDolek: One of the dolphins is jumping higher than the other two. Their eyes can be clearly seen and seem to twinkle as you look into them::

Nauli Muo: ::smiles at that one::

Angelique Matteo: ::She smiled and clapped:: That was a really lovely one. ::to Havoc::

Sherakai: Congratulations, Meiling ::he smiled::

Calo Lowso: Aww...:clasp for the new girls:: How sweet.

Calo Lowso: Sweet huh?

HavocSadani: ::He'd clap, but it was tricky with his arm around Angel:: It was. Almost as good as Da's.

Dara Liana: ::smiles::

Meiling Okalani: ::she glanced around at those around her and ducked her head::

Meiling Okalani: ::softly:: My graciousness.

CaptRaphaelDolek: ::Complete descriptions will be posted::

Calo Lowso: Do I get a prize or you just making me stand here all night?

Angelique Matteo: A good likeness of him. ::she laughed::

Sherakai: That's the prize ::he whispered to Calo::

CaptRaphaelDolek: Prizes for the first three will be dinner for two at the Inn od Adolinde, and ... ::He handed each a pair of thick red socks::

Calo Lowso: Where?

Calo Lowso: ::she grabbed the socks::

Meiling Okalani: ::she took the socks and blinked at them, her brows drawing together slightly::

Nauli Muo: Socks!

CaptRaphaelDolek: ::Inn of Anolinde::

Angelique Matteo: (w) She can wear the socks to dinner...

Meiling Okalani: ::hearing Nauli she smiled inwardly - a gift she could give later::

Calo Lowso: Trade you the dinner for another pair of socks ::to Meiling::

Nauli Muo: <Venture> Those really must be nice socks. And maybe you should slow down on the serky.

Nauli Muo: What! This is my first glass!

Nauli Muo: <Venture> I know.

Meiling Okalani: ::she looked at Calo then and shook her head negatively:: Are gift.

Nauli Muo: ::siiip::

Calo Lowso: Are what? No, no it's just a prize.

Calo Lowso: Not a gift.

Meiling Okalani: Are gift. ::nodding::

Dara Liana: Who came up with the socks?

Meiling Okalani: For later.

Calo Lowso: And you moved! ::grins::

CaptRaphaelDolek: And for best in show, Meiling also will receive ... ::He handed her a Cashmire blanket from Cloosidian::

Sherakai: Nice, wool socks ::Taking "his" pair, he rolled them up and tossed them at Nauli::

Meiling Okalani: ::she slipped a hand over her mouth to stifle a giggle, but her eyes twinkled

merrily at Calo::
Meiling Okalani: ::her mouth rounded into an o as she was handed the blanket::
Calo Lowso: I'm not good enough?::To Kai:: You give him the socks?
Meiling Okalani: ::she caressed it lovingly::
Meiling Okalani: ::softly:: Is nice.
Sherakai: He looked like he needed them.
DanteVoltan: ::laughs and puts the socks in his bag::
Meiling Okalani: Vedy nice.
Calo Lowso: And I don't?
CaptRaphaelDolek: You all did a great job. Congratulations.
Angelique Matteo: ::She applauded again for the artists.::
Sherakai: You have a pair ::he pointed out::
Nauli Muo: ::looks at the socks...picks them up:: Socks!
Calo Lowso: ::she swings her head away from, him chin up::
HavocSadani: ::He put two fingers in his mouth and whistled::
Nauli Muo: <Venture> Since when did you start wearing socks?
Angelique Matteo: ::and then leaned against Havoc.:: I'm sleepy. All that violence wore me out.
Nauli Muo: Since I got these.
Sherakai: Need more?
Meiling Okalani: ::She bowed midway to Raf:: My thanks. My thanks. ::slowly she backed away, bowing three times before she turned to head toward the counter::
Calo Lowso: You know I do.
HavocSadani: Completely?
Nauli Muo: <Venture>::shakes his head::
Dara Liana: ::sips her mulled wine::
Sherakai: How many pair?
Angelique Matteo: Well. Not...completely.
Calo Lowso: Look at her. ::watches Meiling:: Why is she doing that?
Calo Lowso: Twenty.
BlissNLvjy: ::looks at Havoc, shaking her head::
Meiling Okalani: ::she held the blanket out toward Dara:: You watch? I clean.
CaptRaphaelDolek: ::He nodded to them all and moved away, speaking quietly to Dani before heading out the door::
Dara Liana: Sure :: takes the blanket and hides it behind the counter::
HavocSadani: Tha's a good thing. I wouldn't want you to miss out on all th'excitement b'tween here an' home.
Nauli Muo: <Venture>::looks at Dara:: What?
Dara Liana: Nice blanket !
Sherakai: Where would you like them?
Angelique Matteo: Between here and home? ::All sorts of curious now.::
Meiling Okalani: ::she nodded, her eyes smiling at Dara:: Yes.
OnlineHost: "CaptRaphaelDolek" has left the room.
Meiling Okalani: ::turning away, she returned to the broom and began to "mop" up the water that had trailed across the floor::
Dara Liana: ::blinks at Venture:: Did you need something?
MissAmorina: ::Smiled to Meiling:: Congratulations.
HavocSadani: Y'think you're up to it?
Calo Lowso: Oh, she works here. ::as if that fact just reached her:: Oh no! She is ruin everything. I've been away too long!
Meiling Okalani: ::*returned to the mop, not broom::
HavocSadani: Will we survive Bliss givin' us evil looks?
Angelique Matteo: Let's find out. ::laughing::
Meiling Okalani: ::she gave a nod to Ami, again her eyes smiling but not her mouth::
BlissNLvjy: What evil looks? ::frowning now::
Nauli Muo: <Venture> Did you call my name?
Calo Lowso: Hey..stomps over to Meiling and grabs the mop:: You just won...::waves her hand::

something. You can't work now!

Angelique Matteo: He's kidding. ::She nudged Bliss with her foot.::

Dara Liana: Did you need anything Sir? Wine Serky? Mulled wine?

Nauli Muo: <Venture> My mistake....

Nauli Muo: <Venture>::drinks more ale::

HavocSadani: Like tha' ::He pointed and grinned at Bliss::

Meiling Okalani: ::blinks as the mop is grabbed away from her:: Is water.

Meiling Okalani: I clean.

Calo Lowso: You clean? Why? It's not even really dirty yet.

Sherakai: Everyone, if I could have your attention for a moment? ::He raised his voice::

BlissNLvjy: Trust me when I say that this is not an evil look. ::she rose to her feet, cup in hand. Nodding to them both:: It was good to see you, safe trip home to you.

Meiling Okalani: Can slip. Must clean. ::were her eyes laughing at Calo?::

MissAmorina: ::Finishing her wine, she slid off her stool...then hearing Kai gave him her attention::

Dara Liana: ::mouths after Calo:: oh here we go again.. the lets not do anything on my shift dance ...well besides insult the paying patrons...

Angelique Matteo: Good to see you too, Bliss. Come around more often!

DanisiaChambray: ::She moved up behind Kai, and slid her arms around him::

Calo Lowso: Just go...wrap or play with the blanket thing...I'll mop ::did she just say that!:: later.

Meiling Okalani: ::was the remaining water gathering around Calo's feet, again?::

Meiling Okalani: Someone fall, get hurt, I clean.

Calo Lowso: Wait Kai's gona give a speech. SPEECH!

Sherakai: ::He rested his hand on Dani's wrist:: There's a box, there ::he nodded toward the corner:: with a participation gift for everyone who took part in the Snowball War.

Sherakai: Errrr... Fight.

Calo Lowso: Ya, now you worry about it. ::to Meiling::

Meiling Okalani: ::was that water turning to ice again?::

Meiling Okalani: I no worry. I clean.

Sherakai: ::Inside the box was a number of multi-colored jester-style hats:: And I'd like to thank everyone for coming, and for a wonderful evening.

DanisiaChambray: Dante can bring Skitter hers.

Angelique Matteo: Thank you Kai, thank you Dani!

Calo Lowso: ::she swishes the mop once or twice:: I got it.

Meiling Okalani: ::she shifts her focus to Sherakai and she nods:: Funny fight.

Angelique Matteo: ::She went to fetch a hat for herself and Havoc::

DanteVoltan: Her award?

DanisiaChambray: And Akia can have mine.

Meiling Okalani: Okay, you clean.

Dara Liana: I have her pink ribbon::to Dante:: and I will give it to her ::evil grin::

MissAmorina: ::Smiled, moving towards the box:: Thank you Kai and Dani.

Meiling Okalani: ::did her lips just twitch a moment before her hand came up to cover it?::

Angelique Matteo: Good night everyone! ::She put on her jester hat::

DanteVoltan: Uh oh....

DanisiaChambray: It was fun.

BlissNLvjy: Night, Angel. Lovely hat.

Meiling Okalani: ::it, them -whatever::

Dara Liana: Good night Angel, Havoc :: smiles::

OnlineHost: "Ysanne Solaste" has left the room.

HavocSadani: Is there one with red? ::he asked Angel, holding one end of his scarf up::

Angelique Matteo: Right here. Matches smashingly.

Meiling Okalani: Bye, good miss. ::to Angel::

DanisiaChambray: Good night, Havoc, Angel.

Sherakai: Mmm... It was good seeing everyone laughing together.

Angelique Matteo: ::She waved to Meiling and smiled::

Sherakai: Good night, you two. And Angel?

Angelique Matteo: Yes, Kai?

Sherakai: ::He gave her a warning look:: Be gentle. He's not used to snow.

OnlineHost: "Calo Lowso" has left the room.

HavocSadani: Ha ::He pulled his hat on. It sort of matched his scarf::

BlissNLvjy: All under the watchful eye of the local Klocks. ::said softly to herself as she strolled to the bar to drop off her cup::

Nauli Muo: ::goes and finds his prize::

Angelique Matteo: ::Her fair face went pink:: Oh, you hush. ::And giggling, she headed for the door, pulling her cloak on::

Nauli Muo: ::takes out...a hat::

Nauli Muo: A hat!

Nauli Muo: <Venture> Oh no....

Angelique Matteo: ::Hats, socks. Everyone was going to be looking pretty smokin'::

Meiling Okalani: ::glances toward the sound of Nauli's voice::

HavocSadani: We ought t'show him some snow, don't you think? ::He buttoned up his coat as he followed Angel:: G'night, everyone!

DanteVoltan: Guess I ought to be going too

Dara Liana: ::waves after Havoc:: be careful

Nauli Muo: ::walks back to the bar::

Angelique Matteo: ((Thanks everyone, great job!))

Nauli Muo: <Venture> That...is an ugly hat.

Dara Liana: ((Night night!))

DanteVoltan: (TY!)

Nauli Muo: You think so? ((that was fun!!!))

Meiling Okalani: ::shuffles back toward the bar, away from Calo::

DanisiaChambray: Good night, Dante. Travel safely.

MissAmorina: ::Smiling as she looked through the hats she picked one out and put it on, then picked another to take out to Carson:: Is it alright if I take this one out to CARson? ::showing the extra hat to Kai::

Dara Liana: Hat matches the socks ::smiles at Nauli::

Dara Liana: very colorful

Sherakai: Absolutely.

OnlineHost: "DanteVoltan" has left the room.

Dara Liana: Good night Dante ::waves after him::

HavocSadani: ::He held the door open for Angel, and out they went. It was going to take him forever to thaw...::

BlissNLvjy: ::she gave Kai a jaunty salute:: Evening, Kai, Dani, safe travels to you. ::then headed for the southern door::

MissAmorina: Thanks ::smiling, she gave him a quick hug:: I going to go. See you back at the farm.

DanisiaChambray: Good night, Bliss.

Dara Liana: ::Shakes her head a little:: look everybody is leaving you Calo!

Sherakai: Good night, Bliss, and same to you!

Angelique Matteo: ::But worth it!::

Angelique Matteo: ::And out she went::

OnlineHost: "BlissNLvjy" has left the room.

Nauli Muo: <Venture> It is still an ugly hat. But it matches.

OnlineHost: "Angelique Matteo" has left the room.

DanisiaChambray: ::Where did Calo go?::

Meiling Okalani: Like other hat better. One on snow man.

Meiling Okalani: ::she nods at Nauli::

Dara Liana: ::in the cellar with the yucky spiders where she belongs!::

MissAmorina: ::Then waving to Dani too, she slipped outside::

OnlineHost: "HavocSadani" has left the room.

Nauli Muo: My hat!

Nauli Muo: ::runs out the door...well, stumbles...being one very large sheet to the wind::

Meiling Okalani: ::she frowns after Nauli's stumbling form then looks at Venture:: He drink?

Nauli Muo: <Venture> Only when he's drunk.

OnlineHost: "MissAmorina" has left the room.

Meiling Okalani: ::blink, blink::
DanisiaChambray: Kai?
Nauli Muo: @ ::digging through the snow for his soggy hat::
Dara Liana: Now that fellow was fun to watch tonight ::laughs watching Nauli ::
Sherakai: Mm hm?
Meiling Okalani: He funny. ::to Dara::
Nauli Muo: <Venture> You should try sharing a house with him. Non-stop fun.
DanisiaChambray: You about ready to see what disaster the children left at the house?
Dara Liana: He is very funny and kind ::smiles:: nice fellow
Meiling Okalani: ::shuffles closer to Dara and whispers behind her hand in Dara's general direction:: I drop snow on him head.
Sherakai: No. You?
DanisiaChambray: Did you have something else in mind? ::Her smile grew::
Meiling Okalani: ::I=Me::
Dara Liana: You should make sure you get a bite to eat before the night is out :: to Meiling:: I am sure Abby has left overs in the kitchen, I am going to take some home tonight I think :: laughs::
Sherakai: I do. Something warm.
Dara Liana: ::giggles::
Meiling Okalani: Me get food. Many thanks, good miss.
