

Mooncalling

15 November 2007
CrosswindsTavern

Aris Ioannes: ::He made his way into the tavern, from somewhere::

Aris Ioannes: ::It didn't really matter where::

Riley B ORourke: ::She'd been watching the preparations for some big shin-dig from her perch atop the stairs. She watched the soldier enter, emerald green eyes following him across the room::

Aris Ioannes: ::He was only here to observe, but if he wouldn't argue if he could find some form of amusement while there::

Aris Ioannes: ::He made his way barward, one hand resting idly against the pommel of his sword::

Aris Ioannes: ::He procured a goblet of sangiovese from Asa and handed the man the proper payment::

Riley B ORourke: ::She bit her lip, memories running through her head. She stood, a single fluid movement, and descended the stairs::

Aris Ioannes: ::Place seemed a bit quiet for a festival::

Riley B ORourke: ::She walked across the room, nearly silently, like a stalking cat. She appeared at Aris's elbow and leaned against the bar, smiling up at him:: Evenin', handsome.

XRemembranceX: ::*Outside, the night was clear and cool. Gusts of wind blew, restlessly.*::

Aris Ioannes: ::He returned the smile, his gaze moving over her admiringly:: Evening to you, too.

CWT Reena: ::Reena headed through the kitchen door, her arms carrying a small crate, which she set down behind the counter::

Aris Ioannes: I trust you are well.

Riley B ORourke: ::She moved a little, arranging herself in the best light, giving him ample opportunity to give her a once over. She flashed him a tiny half-smile, full of promise and nodded::

CWT Reena: ::On the counter was a couple of bowls of shelled nuts, and plates of fruit:: Good evening to you both.

Cristian Kadec: ::He strolled in through the front door like he owned the place. Even dressed pretty well. He wore a rapier in a scabbard::

Aris Ioannes: ::Not one to miss such an opportunity, he indulged in admiring her beauty::

CWT Reena: We have a special tonight. A drink called Rivermist. The samples are free.

Cristian Kadec: Evenin Reena! ::heading to the counter::

Riley B ORourke: ::She glanced over to the front door, eyes tracking the young pup as he entered and headed towards the counter. She was making a visual feast of him indeed::

CWT Reena: Evening Cris! ::Her smile brightened:: How're you doing tonight handsome?

Cristian Kadec: A'right so far. How're you?

Aris Ioannes: ::Noticing her watching the young one, he smirked into his glass::

Cristian Kadec: ::He nodded a greeting to Riley, along with a toothy grin::

Aris Ioannes: Hoping to teach the lad a thing or two? ::quietly in his soft-spoken tone to Riley::

CWT Reena: I'm good. Happy Mooncalling.

Aris Ioannes: ::He sipped at his sangiovese::

Riley B ORourke: ::She flashed Cris a smirk and turned back to Aris:: Like I taught you? ::She chuckled, a low, throaty sound and then turned to Reena:: I'd love some of that Rivermist.

Cristian Kadec: You too. Any undead lurking around? ::He glanced around the commons. The gaze lingered a moment on a booth, one that had been in shadows the other night::

CWT Reena: Coming right up. And you, Cris? ::She went to pour Riley a glass of Rivermist::

Aris Ioannes: ::He chuckled lowly:: I'm not a young pup, Miss Riley.

Cristian Kadec: Just an ale for now, thanks. House stuff is fine.

Aris Ioannes: There's not much you can teach an old soldier like myself.

Riley B ORourke: ::Her eyes were on Reena, but her words were for Aris's ears alone:: Oh, I know a trick or two I would love to show you.

CWT Reena: House ale, coming up.

Aris Ioannes: Really? Do tell. ::A slight arch of a dark brow::

XRemembranceX: ::*No undead lurking. But a few of the dead were here, invisible, except to those who possessed the ability to see spirits.*::

CWT Reena: ::She moved to pour Cris his ale:: Nuts and fruit for any who want some.

Riley B ORourke: ::She turned to him then, promises smoldering in those emerald green depths:: I'd much rather show you.

XRemembranceX: ::*The ghost of a young woman stood near a window, gazing out.*::

Aris loannes: I am at your service, lady. ::He affected a short bow::

CWT Reena: Copper, Cris. ::She set down his ale::

Aris loannes: ::There was that small grin still on his face::

Riley B ORourke: ::She smirked and turned back to Reena, a single ebony brow raised::

Cristian Kadec: ::He put a few down on the counter, then crooked a finger at her, beckoning her closer. He leaned forward::

CWT Reena: ::She leaned forward::

Cristian Kadec: ::He whispered something briefly::

CWT Reena: ::Her eyes widened as she listened, then she nodded emphatically::

Cristian Kadec: ::Then he leaned back like nothing was wrong, grinning::

Riley B ORourke: ::She rapped an impatient cadence on the bartop, waiting for her drink::

CWT Reena: ::She looked at Riley:: Yes ma'am?

Kirin Fand: ::she made her way across the porch and through the door::

Cristian Kadec: ::Cris drank some of his ale. Leaning against the bar instead of sitting on a barstool::

Riley B ORourke: ::The other brow rose to meet the first:: I'm pretty sure I asked for a glass of the Rivermist. I suppose it's possible that I only thought about asking, however.

Aris loannes: ::He took another sip of his sangiovese and watched the tavern's patrons in the mirror::

Kirin Fand: ::she lowered the hood of her black cloak as she approached the counter:: Good evening.

CWT Reena: No. You asked. It's right there. It's free tonight. I didn't want to draw your attention away. ::She chuckled::

Cristian Kadec: Evenin Kirin. ::toasting her with his tankard::

Aris loannes: ::He slid a glance toward the redhead and offered a nod::

CWT Reena: ::She moved the glass over a bit so it was right in front of her::

Riley B ORourke: Oh. ::She rolled her eyes and shook her head, consternation apparent on her face for a fleeting second. She picked up the goblet and gave Reena a sheepish

Kirin Fand: Cristian, staying out of trouble for at least one night ... I hope. ::she grinned then nodded to Aris and Riley in turn::

Aris loannes: ::He smirked:: Am I such a distraction, Miss Riley?

CWT Reena: I understand. He's more attractive than the drink.

Riley B ORourke: smile:: Sorry 'bout that. Old tall, dark and studly here apparently has my head in a spin. ::She raised the glass to her lips and sipped it::

Cristian Kadec: I'm going to drink and ale and then go find something wholesome to do. ::He grinned::

Aris loannes: Good to know I haven't lost my touch.

Riley B ORourke: ::She clucked her tongue after overhearing Cris's words:: Wholesome? What a shame.

Kirin Fand: A serky when you have time, please, Reena.

CWT Reena: ::grinning, she moved over to Kirin:: Evening, Kirin. Might I offer you a free sample of Rivermist?

Aris loannes: Waste of time. ::muttered::

Kirin Fand: Oh, now I know you are up to something!! ::she wagged a finger at Cris::

Aris loannes: ::He was muttering in reference to the word wholesome::

CWT Reena: The fruit and nuts on the counter are free too.

Riley B ORourke: ::She grinned and nodded:: Indeed, my good man, indeed. ::She turned and rested the small of her back against the countertop and sipped the wine, eyes on the room::

Kirin Fand: I've tried it.

CWT Reena: Didn't like it, huh? ::She went to pour her a serky::

Aris loannes: ::A sidelong glance at Riley::

Cristian Kadec: Me? Nahh. ::Who knew with him. He took another slug of ale::

XRemembranceX: ::The ghost woman left the window and began pacing towards the hearth::

Kirin Fand: It was quite nice, I just want something stronger. ::she set three silvers on the bar::

CWT Reena: ::She exchanged silver for serky::

Cristian Kadec: Stronger, huh? Long day?

Kirin Fand: Something like that, yes. ::she nodded::

Kirin Fand: Thank you, Reena. ::she took the glass::

Aris loannes: ::He was tempted to say something, but he wasn't paid to sell the stuff, just deliver it and observe::

rileyborourke: ::The Rivermist hit the bottom of her stomach and its fumes slowly burned back up her throat, warming her from inside out. She glanced over at Aris and nodded:: This is

rileyborourke: some really strong stuff. Reminds me of something my grandfather drank. ::She sipped it again, eyes once more on the room::

Barboscetch: ::Somewhere near the portal, a long long long time ago..Asa had plastered up a tiny hole in the wall...but tonight the plaster started to crack::

Aris Ioannes: Slow sips, Riley. ::He warned::
XRemembranceX: ::She did not pause at the hearth, but seemed to pass right through it::
Avraham Lave: ::He walked into the barroom and parked his lanky frame upon a tall barstool. And with a long, soft, southern drawl said; "evenin' "
rileyborourke: ::She chuckled:: Trust me - it'll take a lot more than one of these to have an effect on me.
Cristian Kadec: Hey Avram! How are ya? ::Cris was on the customer side of the counter tonight::
Avraham Lave: "one and all"
CWT Reena: Good evening, Av. Would you like a free sample of Rivermist?
Aris Ioannes: ::He shrugged:: If you say so.
Kirin Fand: ::she couldn't quite see the woman's ghost as she looked over her shoulder, but she could sense an other worldly presence, one of the benefits or curses of her faery nature::
Avraham Lave: ""not bad. starnge seein' ya on this side o' the bar cris"
Avraham Lave: :::to reena::: evenin' "
Cristian Kadec: I know, strange for me too. I think I like it though.
Avraham Lave: "what's a rivermist?"
Kirin Fand: You just like being waited on, Cristian. ::she chuckled softly::
Aris Ioannes: ::He sipped at his sangiovese again, savoring it slowly, like he savored his women::
Kendra Rulyar: ::The southern door opens quickly, no it is not a ghost just Kendra with a large necklace of Blizzard Berries around her neck::Evening all..if it is good is yet to be seen...
rileyborourke: ::She gave the newcomer a once over, from boots to the top of his head and then glanced back at Aris, unabashedly giving him another once over::
Cristian Kadec: Yeah. Not really hungry, but I was thinking of ordering supper anyhow. ::He chuckled::
Cristian Kadec: Evening Kendra!
Avraham Lave: "ah miss kendra"
Aris Ioannes: ::He, in turn, was now checking out the red-headed elf that had just blown in the through the southern door::
Avraham Lave: good to seeya"
Barboscatch: ::Little specks of dust went to the floor and something very small crawled out of the little hole near the portal::
Aris Ioannes: ::The thought of himself with an elf made him chuckle::
XRemembranceX: ::The ghost woman came to the counter and stood there, down at one end. Staring at nothing::
rileyborourke: ::She leaned close to him, her lips very nearly against his ear:: You'd break her.
Avraham Lave: "and what a berry nice necklace yer sportin' tonight"
Kendra Rulyar: Free samples?::one long ear went forward::Of?
Kirin Fand: Rivermist, Kendra.
Avraham Lave: "yes"
Kirin Fand: ::she waved to the elf::
Aris Ioannes: ::he murmured quietly:: I'd break her in.

Aris Ioannes: Like a new pair of shoes.

Kendra Rulyar: Thank you Av' I would not be caught without one tonight. I guess I give that mist wine a try::Is avoiding to look at the mirror behind the bar::

Cristian Kadec: Hah, berry nice.

Avraham Lave: "I've yet to learn what a 'rivermist' is"

Aris Ioannes: It's a drink. ::dryly to Av::

Riley B ORourke: ::She snorted:: Break her in half, more like. ::She didn't move away from him, keeping her body pressed against his from shoulder to ankle::

CWT Reena: Evening, Kendra.

Avraham Lave: :::to aris::: "nahhhh...I don't believe that at all"

Cristian Kadec: Hey Kendra, those berries, they're to keep away undead, is that it?

Aris Ioannes: ::He was acutely aware of her closeness and breathed deeply of her scent:: You are tempting an old man once again tonight, Miss Riley.

Cristian Kadec: ::He'd decorated with them the other night, but had no idea what for::

Kirin Fand: IT's the name of the drink being served for free tonight, Av.

Aris Ioannes: ::Though he wasn't really old, he seemed to be in his mid-30s or so::

Barboscatch: ::he shook his mighty waterbug body, all of three inches long, and sat up to clean off the dust. Oh but he was mighty once, once he was a Dragon, the Dragon Barboscatch, feared in his world::

Aris Ioannes: ::He glanced at Av again:: Are you speaking to me?

Kendra Rulyar: Yes Cristian.

Avraham Lave: "ookay. is made with berries like the necklace ken is wearig?"

CWT Reena: Would either of you like a free sample?

Kendra Rulyar: It is mooncalling..say could we cover up that mirror?

Kendra Rulyar: I would like to taste the Rivermist, please Reena.

Cristian Kadek: Why cover it up? ::Fascinated now::

Riley B O'Rourke: ::She looked up at him and gave him that tiny smirk again. She sipped the wine, her eyes locked on his::

Avraham Lave: "cause if it is, I'll try some"

Kendra Rulyar: I do not wish to look inside of it and see my future husband...

Kirin Fand: ::she looked to Kendra:: Might be too late for that. ::she brushed some hair out of her face::

Aris Ioannes: ::He sighed at Av and rolled his eyes::

Cristian Kadek: What happens if I look in the mirror?

CWT Reena: ::She filled a glass for Kendra and handed it to Kendra, then poured a second for Av::

Aris Ioannes: ::Realizing Riley was staring at him, he turned his gaze that way and smiled:: Yes?

Riley B O'Rourke: Bloody Mary will come out and get you. ::She glanced over at Cris and chuckled softly::

Avraham Lave: "many thanks...reena is it?"

Barbosetch: ::He turned around and started towards the legs near the bar:: Fear me for I am Barbosetch: not that anybody can really hear a waterbug speak::

Kirin Fand: ::she looked to Cris:: Some folk believe that mirrors trap spirits.

CWT Reena: Yes. I'm Reena. Here to quench your thirsts.

Avraham Lave: "to kendra:: "I looked into a mirror before I came here"

Aris Ioannes: Bloody Mary? ::That caused him to lift a brow::

Kendra Rulyar: Spoils the surprise Kirin ::chuckles::

Avraham Lave: "is that okay?"

Cristian Kadek: ::He was going to ask who this Mary was, but changed his mind:: Huh. I'd never heard that. About mirrors trapping spirits.

Riley B O'Rourke: ::She turned back to Aris and shrugged:: Nevermind. Not important.

Aris Ioannes: ::He leaned close to Riley and whispered::

Kirin Fand: ::she looked to Riley:: You don't believe in ghosts, do you?

XRemembranceX: ::The ghost woman...she looked almost like a patron, standing there at the counter::

Barbosetch: ::OH they ignored him, he will have his revenge tonight! Nobody ignores the former now waterbug turned Barbosetch!::

Riley B O'Rourke: ::She looked over Kirin and gave an ironic laugh:: Oh, honey, when you've seen half the things I've seen, you'll never doubt the preternatural.

Kendra Rulyar: You are not a woman Av' ..are you looking for a Husband?

Aris Ioannes: ::Apparently she had not heard his question, no matter::

Riley B O'Rourke: Or the supernatural for that matter. ::She turned back to Aris and whispered back::

Avraham Lave: "ummm...welll....""I'm looking for love and affection"

Avraham Lave: "but I'll settle for a pizza"

Aris Ioannes: ::He chuckled at Riley's delayed response to his question::

Kirin Fand: Well, I'm flattered that you think I'm so sweet. ::dryly::

Cristian Kadek: ::He glanced at the water clock::

Barbosetch: ::And so he moved on, past chair legs and dust bunnies on the floor towards the bar, hissing and clicking. He may not be able to breath fire anymore but he remembered he could still fly::

Aris Ioannes: ::Would step on the bug if only he noticed it::

Kendra Rulyar: ::chuckles softly and reaches for that free sample of the rivermist::

Kirin Fand: ::she sipped her serky::

Aris Ioannes: Have you ever been to Balthazor, Riley?

Riley B O'Rourke: ::She saluted Kirin with her glass and drained the rest of it before setting it on the counter:: I've never been anywhere in this godforsaken place.

Kendra Rulyar: It is really not so bad for a wine from Balthazor...just how do they grow grapes ...did not think they got enough sun...

Cristian Kadek: So Reena, you tried the Rivermist yet?

Aris Ioannes: It's not made from grapes. ::He pointed out to Kendra:: And it is not wine.

Avraham Lave: "ah so this is a wine eh?" ::referring to the rivermist"

Mordred Anubis: ::Leaving his horse at the stable, tip for the hand there, moving for the southern door after a bit and then pushing into the tavern as he drew his hood back. long white locks of silk spilling over his shoulders. boots carrying him for the bar::

CWT Reena: ::Well, since everyone was chatting amongst themselves, she poured her own free sample and set it behind the bar. She looked up guiltily:: Who, me?

Avraham Lave: ::carefully takes a sip::

Cristian Kadec: No, the other Reena. ::He smirked::

Kirin Fand: ::she chuckled at Reena's reaction::

CWT Reena: ::She blushed:: Not yet.

Barboscatch: ::He finally lifted off the ground and made it all the way to table height::

Aris Ioannes: Perhaps I'll take you to Balthazor sometime. ::to Riley:: If you'd like.

Avraham Lave: "hmm"

Cristian Kadec: It's not bad. I had some the other day.

CWT Reena: Good evening, sir. Can I offer you a free sample of Rivermist?

Riley B O'Rourke: ::She reached for a handful of nuts and popped them in her mouth, chewing thoughtfully before answering Aris:: I think I would like that. Is that where you're from?

Havoc Sadani: --still don't know why we have t'go out lookin' for it ::Havoc grumbled as he came in through the southern door, then held it a moment for his companion::

Kirin Fand: ::she nodded to Mordred::

Cristian Kadec: ::What was that noise? Was that buzzing? He glanced around::

Mordred Anubis: ::Taking a light lean at the bar, soft nod to Reena:: Why not.

Ricoh Gideonn has left this chat.

Aris Ioannes: Yes. ::simply and bluntly::

Avraham Lave: ::takes a long sip::

CWT Reena: ::Nodding, she moved to pour him his drink, secretly taking a drink of her own at the same time:: Here you are, sir.

Avraham Lave: "hmmm gives one quite a buzz"

Shahdi Sadani: We don't have to, an' that's exactly the point. ::Shahdi came in right behind her brother, bristling with weapons and wearing a necklace of berries::

Barboscatch: ::Oh for crying out loud, he found himself quickly tangled in something long and white and started to crawl up the white hair of the dark Elf. How dare does this thing stand in his way to devour a young maiden::

Mordred Anubis: ::A soft nod sent Kirin's way, then one tossed at Av' and Kendra catching sight of them::

Ricoh Gideonn has joined this chat.

Riley B O'Rourke: Then I would indeed like to see this place. Do they grow them all like you in this Balthazor?

Mordred Anubis: How much ? ::Gaze sliding back at Reena::

Kendra Rulyar: ::grins at Shahdi and Havoc::good eve' you two.

Cristian Kadec: Is there a bug in here? ::muttering:: Thought I heard somethin...

Aris Ioannes: ::He chuckled softly:: No, I'm one of a kind. Just like you.

Kendra Rulyar: ::Waves over to Mordred, herself covered in a berry necklace::

CWT Reena: Free samples are usually free. ::giggling::

Avraham Lave: "wait a minute... that IS buzzing I'm actually hearin' "

Avraham Lave: ::nodding to mordred::

Riley B O'Rourke: Flatterer.

Aris Ioannes: Takes one to know one.

Havoc Sadani: There's still got t'be better things t'do on a night like this. ::Glowing, he made his way to the bar and thumped himself down on a stool:: Evenin', Kendra.

Kendra Rulyar: Havoc, they have free drinks tonight!::just to be helpful::

Aris Ioannes: ::He took notice of the necromancer but that was all::

Kirin Fand: ::she tilted her head:: Bug or not, it's something determined to be heard.

CWT Reena: The nuts and fruits are free too, well the ones on the counter.

Shahdi Sadani: Kendra ::She smiled thinly and went to give her "aunt" a kiss on the cheek::

Cristian Kadec: Hey Havoc! ::He gave a wave::

Havoc Sadani: What sort of free drinks?

Mordred Anubis: ::Nods:: Sometimes, yes. ::Removing his gloves to tuck within his belt below the cloak's covering. dark fingertips lifting the drink for a sip::

Avraham Lave: ::looking around:: "did I...did I just see somehting like a bug crawl into that person's white hair?"

Havoc Sadani: ::He lifted a hand to wave back at Cristian::

CWT Reena: Good evening, Havoc. Good evening, Ma'am.

Barboscatch: ::Claws himself out of the white hair and fusses over himself for a moment. Stupid Elves...why do they always have to get in the way of the former dragons now turned waterbug villians of the world::

Shahdi Sadani: Which ones aren't free? ::she asked Reena, going to lean on the bar next to her brother.::

Mordred Anubis: ::Curious of Kendra's odd necklace, but then again.. it was Kendra and she did love her berries::

Kirin Fand: ::she nodded to Havoc and Shahdi before finishing her serky::

Aris Ioannes: ::He lifted his goblet for another sip of the sangiovese::

Riley B O'Rourke: ::She turned again once more to look over the crowd, taking careful note of everyone present, emerald green eyes lingering a moment on the dark elf::

CWT Reena: We have free samples of Rivermist.

Kendra Rulyar: ::And it was Mooncalling and it was Blizzard Berries to keep the spirits away.::

Havoc Sadani: Oh, I had some of tha' th'other night. With -- I forget. Prob'ly serky. Wasn't a good combination.

XRemembranceX: ::*The ghost woman at the counter seemed to speak to someone, her lips moving, but in silence.*::

Cristian Kadec: ::He finished off his tankard and looked at it. Deciding. Yes, no?::

Shahdi Sadani: What's Rivermist? ::She helped herself to some of the nuts.::

Kirin Fand: Serky, Havoc, you had it with serky. ::an amused look on her face::

Aris Ioannes: ::He narrowed his eyes a little as he watched Riley::

CWT Reena: A drink? It's not a wine. It's stronger.

Shahdi Sadani: I want some.

Ciara Deirdre has joined this chat.

CWT Reena: ::She went and poured Shahdi her drink::

Havoc Sadani: ::He gave Kirin a crooked sort of smile.:: Thanks. I wasn't too far off, now was I?

Mordred Anubis: ::Light shift in his lean at the bar, another sip taken as his eyes shifted over those about slowly::

Kendra Rulyar: ::Sips a little more of that Rivermist:: Who knew Mordred, something that does not taste horrible does make it out of your little place in the world.

CWT Reena: Serky or free Rivermist, Havoc?

Shahdi Sadani: Serky's a good guess ::She nudged Havoc with one elbow.:: So many t'choose from on your list.

Mordred Anubis: I'll bite my tongue, in correcting you, Kendra. ::Just smiles, oh, so, sweetly at her::

Aris Ioannes: ::He sipped at his sangiovese again, watching the crowd::

CWT Reena: ::She manged her second drink while waiting::

Kirin Fand: As long you managed to stay on the horse on your way home, you did fine. ::she chuckled::

Havoc Sadani: Hey! I don't drink tha' much! I'll stick to th'serky, please.

CWT Reena: ::She poured him his serky:: Silver.

Cristian Kadec: I'm gonna head out, Reena. Remember what I told ya, a'right?

Avraham Lave: "hmm this is kinda good. kinda flowery"

CWT Reena: I'll definately remember.

Ciara Deirdre: ::the shimmers and she steps though with her cloaked guardian::

Riley B O'Rourke: ::She sighed softly and shifted, still pressed against Aris:: So, old man, tell me about this Balthazor of yours.

CWT Reena: Thanks, Cris. Be careful out there.

Kendra Rulyar: ::smiles right back at him:: Is it tradition to wear large bugs in your hair at Mooncalling?

Kirin Fand: Night, Cristian.

Havoc Sadani: ::He set out his silver and a couple coppers.::

Avraham Lave: "take care cris"

Aris Ioannes: I'd rather show than tell. ::sly grin::

Avraham Lave: "and may peace be ever with you as you 'hic' ride"

Cristian Kadec: ::He gestured to the sword he wore.:: Good for the living and the undead. ::A laugh::

Shahdi Sadani: ::Lifting her glass, she sniffed at it curiously, then took a careful drink.::

Mordred Anubis: ::Glance over at catching a single word, Balthazor, then an arching of a slender white brow at Kendra::

Cristian Kadec: Night Kirin, night Av.

CWT Reena: ::She exchanged the coin for serky:: Enjoy.

Kendra Rulyar: I swear you just had a large waterbug in your hair Mordred.

Kirin Fand: Be good or name it well! ::teasing Cris::

Shahdi Sadani: Cris, y'leavin' a'ready?

Mordred Anubis: Perhaps you've been drinking a bit too much this evening, Kendra. ::Smile::

Avraham Lave: "yes. thought I saw something crawl into your hair"

Barboscetch: ::HA! But he was off the Elf now and sailed towards Kirin, only to set down on the ground just below her::

Aris Ioannes: ::What the hell, he slid an arm around Riley's waist and pulled her closer, if that was at all possible, staking his territory, at least for one night::

Shahdi Sadani: ::She leaned one hip against the bar and looked Cris over languidly::

Avraham Lave: "kendra is right"

Kendra Rulyar: See::motions to Av::I am not the only one who saw the bug in your hair.

Riley B O'Rourke: ::She laughed and glanced up at him:: Well, then. When are you going to be showing me this Balthazor of yours. ::She melted against him like butter on a hot griddle::

Cristian Kadec: Aye, I've somewheres to be. I'll see ya another time.

Havoc Sadani: B'have yourself ::Making free with the elbow tonight::

Ciara Deirdre: ::she, too, catches the mention of Balthazor as she sends her guardian away from her side::

CWT Reena: ::She took a larger drink, then moved down to the woman standing at the bar talking to no one:: Can I get you anything Ma'am?

Shahdi Sadani: I always b'have ::She smiled:: Just not well.

Aris Ioannes: ::He had no problem with letting her sizzle there a while::

Mordred Anubis: Mhm.. perhaps you both have been sipping the free drinks a bit too much this evening? ::Teases::

Cristian Kadec: ::He looked her over, mirroring her gaze::

Kirin Fand: ::she knelt down to examine the bug:: Well, well, what are you?

Cristian Kadec: ::Ah, trouble. Time to hit the road!::

Aris Ioannes: Whenever you wish.

Kendra Rulyar: Not yet, this is my first one Mordred, but please do feel free to pay for my second one tonight.

Avraham Lave: "only had half this glass"

Avraham Lave: 'hic'

XRemembranceX: ::The ghost woman's lips moved, but no sound came out::

Havoc Sadani: ::He heaved a put-upon sigh and took a long swig of his serky:: S'how you doin', Reena?

Mordred Anubis: Sorry, I paid for drinks the other evening... you missed it. ::wink and a smirk perked him::

Shahdi Sadani: ::She gave him a slow wink, then turned back to the counter::

Barboscetch: A dragon you stupid woman! Can you not see this ::flexes wings and little bug legs:: Really...has to be because you only have two ugly eyes!

Cristian Kadec: ::And so he did::

Riley B O'Rourke: Don't you need to... ::She gestured around the room:: stay here and watch your product or something?

CWT Reena: Well, just hollar if you want anything. We have free samples of Rivermist. ::She smiled at the woman and turned to Havoc, moving back down the counter:: I'm doing fine.

Kendra Rulyar: Reena there is a Lady on the end of the bar trying to ordering something...:motions towards the Ghost::

Kirin Fand: ::she quirked a brow:: One your size should not call people stupid. ::she grinned::
Cristian Kadec has left this chat.

Kendra Rulyar: I knew you were cheap :: to Mordred and she winks at him::

Havoc Sadani: What kinda fine?

Aris Ioannes: My... product will do just fine without me.

CWT Reena: Thanks Kendra, but she's a bit distracted right now.

Avraham Lave: ::finishes the rivermist::

Mordred Anubis: If you still owen that ankle bracelet I gave you, you'd know better than to say such. ::Smiles with a shift to lean back against the bar some::

Mordred Anubis: ::own::

Barboscatch: ::Give her the universal bug sign of up yours and up hers he went, right for the leg and wanting to get under her clothing::

Shahdi Sadani: ::Nuts and Rivermist. Interesting. She munched and sipped prettily, watching the others around her::

Avraham Lave: **::looking towards the end of the bar to the 'silent lady'::**

Riley B O'Rourke: ::She raised a brow and laughed throatily:: Oh, I'm sure it will.

CWT Reena: Making it. Who's your friend? ::Nodding to Shahdi::

Aris Ioannes: And it's not really mine.

Kirin Fand: ::she lowered her hand to let the bug crawl up it:: No, no. I'm not foolish enough to wear skirts on a night like this, little one.

Kendra Rulyar: I so still own it Mordred, but I am not telling if I am wearing it::smiles:: Reena another of those Riverthings please.

XRemembranceX: *::How he got in wasn't entirely clear, because the door did not open, but soon a man was crossing the commons towards the woman. A spirit like she was.::*

Havoc Sadani: Friend? ::He looked around, then back at Reena:: Oh, y'mean her? ::he thumbed at Shahdi::

XRemembranceX: *::He was dressed in dark armor, and he looked angry.::*

CWT Reena: Oh *her*? Havoc! That's rude!

Riley B O'Rourke: ::She shivered slightly and moved closer to Aris::

Barboscatch: Where is the fun in it! ::Wings flex again:: I am the mighty Barboscatch! I will have my revenge:: and off he goes again, looking for somebody to crawl up on::

Shahdi Sadani: ::Stab! with the elbow::

Avraham Lave: **"looks like speaking but no sound is coming out"**

Aris Ioannes: Did you have something in mind? ::he drew a finger down against the long line of Riley's neck::

Havoc Sadani: Ow, hey! Be careful! ::He rescued his drink. Barely:: She's my sister. Shahdi. Shahdi, this is Reena.

Shahdi Sadani: ::She smiled:: H'lo, Reena.

CWT Reena: ::She moved to pour Kendra her second drink:: Nice to meet you, Shahdi.

Kendra Rulyar: Oh get a room:: over to Aris and Riley:Oh wait .. you cannot get one .. your little friend is not here tonight ::grins at Riley::

XRemembranceX: *::As he approached, the spirit woman turned quickly, fear on her face.::*

Kirin Fand: ::she howled with laughter:: Oh, that's rich. Watch out for big feet little dragon!

Shahdi Sadani: You, too.

Kendra Rulyar: How much is it Reena::slides her two silver coins::

CWT Reena: Poke him harder next time. ::grinning::

CWT Reena: Two silver.

Shahdi Sadani: ::Dark eyes shifted to watch Kirin. Then she leaned closer to Havoc:: Who's she talkin' to? ::she asked, motioning with a nut::

Aris Ioannes: ::He only smirks, more amused by Kendra than annoyed::

Barboscatch: ::Oh he will get her later, once she was not looking. He was a mighty Dragon...once...::

Avraham Lave: **"ummm not that I'm asking you to wear one cause that would be rude, but wouldn't you wear a skirt tonight kirin?"**

Kendra Rulyar: ::adds another coin for her::

Ciara Deirdre: ::she moves toward the counter and watches the pair or ghosts::

Avraham Lave: **why wouldn't you that is**

Riley B O'Rourke: ::She chuckled:: I think I scared him off. ::She glanced up at Aris and shivered again at his touch, this time for a different reason:: Perhaps we could relive the other night?

Kirin Fand: Cold winds, Av.

Avraham Lave: **"ah"**

Adron Taal has joined this chat.

Aris Ioannes: What little friend would that be. ::He set the goblet of wine on the counter::

Kendra Rulyar: ::waves to Ciara::

Avraham Lave: **"makes sense kirin"**

Havoc Sadani: ::He looked around, then shook his head:: I've no idea.

Aris Ioannes: I have been known to do repeat performances.

CWT Reena: Thank you, Kendra!

XRemembranceX: *::The man seemed to strike the woman, slapping her. She faltered back.::*

Ciara Deirdre: *::she waved to Kendra:: Good evening.*

Bliss N Lovejoy has joined this chat.

Barboscatch: *::him of course! Barboscatch landed on Riley's shoulder and his behind came up and he hissed at Aris.Foolish man, leave my women alone!::*

Shahdi Sadani: *What's in this stuff? It's good. ::She tipped up her glass, emptying it.:: Can I have another?*

Angelique Matteo has joined this chat.

CWT Reena: *Evening, ma'am. ::to Ciara:: We have free samples of Rivermist tonight.*

Kendra Rulyar: *How have you been Ciara?*

Mordred Anubis: *::Leaving his drink at the bar, he moved off for a seat by the fire. light shift of the sword at his side while lowering into a spot and relaxing back.::*

Aris Ioannes: *::He flicked a finger at the bug on Riley's shouler.::*

Havoc Sadani: *::Dark brows lifted.:: What, are y'tryin' t'get drunk? Fast?*

Avraham Lave: *::brow furrows slightly:: "hmm strange sensations"*

Shahdi Sadani: *Maybe ::She sniffed haughtily.::*

Kirin Fand: *::she giggled at the bug who used to be a dragon and slipped off to the stable for a while.::*

Kirin Fand has left this chat.

XRemembranceX: *::Abruptly, she shoved back.::*

Riley B O'Rourke: *::She shrugged lightly.:: Just a ...distraction, I suppose. Fleeting. ::She glanced down at her shoulder and frowned.:: Go away before I eat you.*

Aris Ioannes: *::Hoping to dispatch the little thing from her shoulder, of course.::*

Ciara Deirdre: *I've been well, busy, but well. You? ::to Kendra, but she was watching the ghosts.::*

Avraham Lave: *::seeing the guy 'strike' slapping the woman::: "hey watch htere big guy"*

CWT Reena: *::She poured Shahdi her second drink., and gave it to her.::*

Barboscatch: *::Would spit fire if he still were a real Dragon, one more hiss at Aris and the waterbug tumbles down to the floor and oh just wait.He attackes Aris shoe with fierce might*

Havoc Sadani: *You're just -- Ah, never mind ::He slumped down a little further and glared at glass #2.::*

Barboscatch: *and moves off all proud under the next table.::*

Shahdi Sadani: *Thanks, sweetheart ::she smiled at Reena.::*

Aris Ioannes: *::He is, of course, oblivious to the bug's irritation.::*

Kendra Rulyar: *Stuck here in Dreven and busy ::smiles a little.::*

Riley B O'Rourke: *::She shook her head and muttered.:: God, they grown 'em weird here.*

Kendra Rulyar: *Not good busy .. boring busy ...*

Ciara Deirdre: *::she looked to Av: I did not know you saw spirits. ::she looked to Reena: A white wine, please, miss.*

Shahdi Sadani: *I am just fine ::she finished for him and took a hefty drink.::*

Aris Ioannes: *::He leaned close to Riley and whispered in her ear.::*

CWT Reena: *Hey you two! Stop that. ::to the ghost couple""*

XRemembranceX: *::The ghost did not heed Avraham's warning. The man and woman struggled. The man shoved the woman to the floor.::*

Avraham Lave: *"they're spirits?"*

Ciara Deirdre: *::she nodded.:: Yes.*

Shahdi Sadani: *::And then she giggled and leaned against him.:: C'mon, how often do I get drunk? Really?*

Kendra Rulyar: *IS anybody else seeing this?::motions towards the couple.::*

XRemembranceX: *::As he turned away, the woman drew a knife from her sleeve and hurled it at the man. It struck him in the back.::*

Havoc Sadani: *Coupla times too many.*

Havoc Sadani: *::Absolutely oblivious to spirits and glad about it.::*

Ciara Deirdre: *::she nodded to Kendra.:: I am, obviously, but you see them, too?*

XRemembranceX: *::With the impact, the man's face contorted in pain, and then he vanished.::*

CWT Reena: *::She frowned up at Sera, who seemed to be ignoring the whole thing.::*

Aris Ioannes: *::He was also oblivious to the ghosts, his attention currently occupied by Riley.::*

Avraham Lave: *"whoa"*

Adron Taal: *::the portal flickers and a moment later he steps out of it.::*

CWT Reena: Hey. Where'd he go?

Avraham Lave: "that was weird"

Kendra Rulyar: Darn ::pulls on her necklace of Blizzard Berries:: this is so not working! ::turns as the Portal flickers::

Shahdi Sadani: ::Her glass halfway to her lips, she stared at the performance, then flickered a glance at Avraham::

Riley B O'Rourke: ::She laughed and looked at him:: Why, Aris! I'm...shocked. ::She wasn't so good at playing innocent::

XRemembranceX: ::The woman got to her feet and ran for the door, passing right through it::

Avraham Lave: "think I drank too much of this rivermist stuff"

Adron Taal: ::typically armored, and as of late, dirty, bloody and not smelling all that peachy::

Ciara Deirdre: ::she murmurs:: How odd.

Mordred Anubis: ::Not the first time, given his... gift, that he's felt or seen odd things... shift in the seat by the fire as his gaze watched of the flickering flames::

Barboscatch: ::AHA! Another Elf! The bug runs out from under the table and goes for the attack. With luck he can get Adron's shoe before he makes it all the way to the bar::

Barboscatch: ::AHA! Another Elf! The bug runs out from under the table and goes for the attack. With luck he can get Adron's shoe before he makes it all the way to the bar::

Shahdi Sadani: ::Her mouth rounded in an 'oh' of astonishment at the double disappearing acts:: Um... Dhami?

Aris Ioannes: ::smile:: Yes, I'm sure. ::sarcastically::

CWT Reena: ::She, on the other hand, finished off hers::

Havoc Sadani: Ay-ya?

Shahdi Sadani: Didja see tha'? ::She waved her glass at where the spirits had been::

Riley B O'Rourke: ::She shrugged:: Okay, not so much then.

Avraham Lave: ::eyes on the ghost woman::

Havoc Sadani: See what?

Aris Ioannes: I can assure you I am much tastier than a bug.

Ciara Deirdre: ::she sets two silvers on the counter::

Shahdi Sadani: It was -- She -- ::She looked around at the others, and took some reassurance in the confusion writ on their own faces:: Nothin'. It was nothin'.

CWT Reena: Good evening, sir. ::to Adron:: Can I get you a free sample of Rivermist? Perhaps a bath?

Havoc Sadani: ::He turned on his seat to peer at Shahdi's face intently:: How much did y'drink b'fore we left?

Adron Taal: ::since Adron is not watching for a bug, he keeps on tromping across the floor with his metal plated boots::

Bliss N Lovejoy: ;;pushes the door open:: I can't believe most of my clothes don't fit already... ::wearing a flowing blouse::

Kendra Rulyar: ::smiles at Adron:: Good evening Adron. Glad to see you made it back, once again.

Adron Taal: Sample of what and what?

Avraham Lave: "careful adron. it akes ya see ghosts and feel all floaty"

CWT Reena: ::She poured Ciara her wine, and scooped up the coins::

Kendra Rulyar: ::Wonders if she should stuff a few berries up her nose?::

Shahdi Sadani: I had a serky. A couple hours ago ::defensively::

Riley B O'Rourke: ::She leaned away from him, letting her eyes travel over him slowly:: Yes, I'm sure you would.

Ciara Deirdre: It was definitely something. :: quietly in response to Shahdi's comment::

CWT Reena: Rivermist. It's a good drink.

Shahdi Sadani: Floaty ::she echoed, looking at Avram for a minute. Then she smiled again, brightly:: I like floaty!

Barboscatch: ::Does not make it all the way to Adron's leg, he smells to foul even for a waterbug. Defeated he hurries under another table::

Avraham Lave: "speakin' of which, can I have one those rivermists reena?"

Ricoh Gideonn: Don't wear any? ::stepping in behind Bliss and surveying the tavern with thunderstorm eyes::

Adron Taal: No thank you. ::turning to Kendra:: Whats with the pinched expression?

Havoc Sadani: ::He huffed out a breath of air that lifted his bangs:: This isn't goin' to go well, is it?

Aris Ioannes: ::He smiled at her:: Do you have a room?

Kendra Rulyar: You look ahmm well you are dirty ;;chuckles::

Riley B O'Rourke: ::Her brows rose:: It seems your Rivermist is quite a hit. ::She nodded and turned to him:: The same one, in fact.

Bliss N Lovejoy: ::turns:: In public>

Shahdi Sadani: Oh, stop! ::She elbowed him again, ungently:: Y'didn't used t'be such a --a -- What d'you call it?

Angelique Matteo: ::She came in the southern door, but slowly, taking a good look about before stepping in any further::

Bliss N Lovejoy: ?

Ricoh Gideonn: ::He was wearing regular clothes. Nothing sheepy or deadly - that could be seen! - just a clean pair of trousers, a shirt, a cloak...boots...::

Kendra Rulyar: I am starting to think you only come home to get a bath, one night of full sleep and clean clothes.

CWT Reena: Sure thing. ::She poured Av another Ribermiss.. err Rivermist:: Here ya are.

Mordred Anubis: ::A nod from the seats at the fire to the incoming Bliss and company. dark fingertip in a quiet tap upon the edge of his seat::

Aris Ioannes: ::He was still smiling:: It's not mine. I just delivered it.

Ricoh Gideonn: ::He shrugged::

Kendra Rulyar: Evening Bliss, Ric. Happy Mooncalling::calls out to them::

Avraham Lave: "many thanks reena"

Havoc Sadani: Caring, thoughtful, kind, decent -- What else?

Avraham Lave: "how much for this one?"

Shahdi Sadani: No, not tha'.

Ciara Deirdre: ::she stifles a laugh as she hears Reena::

Ricoh Gideonn: Why not?

Riley B O'Rourke: ::She shrugged:: Still good news, right?

Aris Ioannes: Hopefully, it will help the economy.

Ricoh Gideonn: ::eying Kendra a moment::

Adron Taal: It seems that way lately doesn't it.

Aris Ioannes: But such talk will only bore you, I'm afraid.

CWT Reena: HAPPY Mooncalling everyone!

Bliss N Lovejoy: ::Waves behind her, staring at Ricoh:: What, now that I'm getting fat you don't care if other men see me naked?

Adron Taal: ::turning to the tender:: A tankard of Val'adrian... Oh dammit, you don't have that anymore.

Kendra Rulyar: Maybe with Earthfreeze coming soon, you get to spend a little more time in Dreven.

Adron Taal: Fire ale then.

Havoc Sadani: Then what?

Avraham Lave: "tonights mooncalling?"

Shahdi Sadani: Pain in th'backside. You used t'be fun.

Adron Taal: Happy what? ::looking at Kendra::

Ricoh Gideonn: What are you talking about? ::looking at Bliss like she was crazy::

Ricoh Gideonn: You're not fat.

CWT Reena: We got the light Valdarian stuff.

Riley B O'Rourke: ::She nodded and took his hand, leaning away from the bar and tugging gently on his arm:: So come tell me something that won't bore me.

Havoc Sadani: ::He smiled humorlessly.: Thanks.

Barboscatch: ::oh yes ..sweet beautiful Bliss, now there is a leg to crawl up. He starts off again::

Adron Taal: Light stuff? What? It glows like cave mushroom?

Aris Ioannes: I'm sure we can find something interesting to talk about.

Adron Taal: (s)

CWT Reena: It flies. ::giggling::

Angelique Matteo: ::Content that there was no danger, for the moment, she came in and headed to the counter::

Adron Taal: So it has wings?

Shahdi Sadani: Welcome. C'mon, relax, Dhami. Have some fun.

Kendra Rulyar: Mooncalling Adron, the night the spirits walk amongst all of us.

Bliss N Lovejoy: ::pulls her shirt tight against her skin while turning sideways to show her 'belly' which now popped out:: See that?

Avraham Lave: "really"

CWT Reena: Inbisible wings.

Ricoh Gideonn: ::tilting his head::Yes.

Adron Taal: ::looking at Kendra:: So what, the undead only get to creep around once a year?

Havoc Sadani: ::Have fun, she said. On Mooncalling. His least favorite day of the year:: Will you b'have? I have t'get you back to Pol in one piece, y'know.

Aris Ioannes: ::He pushed off his lean and gestured toward the stairs:: After you.

Avraham Lave: "hey maybe I'll see my cat again like last year"

Angelique Matteo: Hello everyone!

Shahdi Sadani: I told ya -- I am. ::Looong drink. This stuff was pretty darned decent::

Adron Taal: ::back to the tender:: Fireale will do nicely, thanks.

Ricoh Gideonn: ::and then he bent down to press a kiss against her tummy::

Kendra Rulyar: ::glances at Mordred:: I said Spirits not undead.. the Undead always walk with them around ::motions to Mordred::

Avraham Lave: :::takes a sip of his refilled rivermist:::

Bliss N Lovejoy: This is why my clothes aren't fitting. ::the kiss made her smile::

Riley B O'Rourke: ::She turned and hand still linked with his, led him towards the stairs::

Ciara Deirdre: ::a curious look is given to Reena then she turns toward Angel's voice:: Good evening, Angel.

Shahdi Sadani: There y'go ::She pointed at Angel:: Look.

Barboscatch: ::Hisses at Ric, oh how dare he that that WHAT, he had pointed ears! What is this, a Elf tavern now!::

CWT Reena: Okiiie dokilie. ::She went to pour Adron his fireale, and herself another Rivermist:

Adron Taal: Dead, undead, spirits. ::a shrug:: All the same, annoying mostly.

Avraham Lave: "hello angel"

Aris Ioannes: ::Who was he to argue with a beautiful woman who wanted to have her way with him? He followed at Riley's heels::

Ricoh Gideonn: ::His ears were half as long as some::

Kendra Rulyar: Happy Mooncalling Angel.

Kendra Rulyar: Agreed::with Adron::

Angelique Matteo: How is everyone? Strangest thing...a spirit ran right through me when I was outside.

Havoc Sadani: ::He swung around again and a look of relief crossed his face:: Angel...

Ricoh Gideonn: But that's not fat, Sunshine.

Angelique Matteo: Thanks Kendra!

Ricoh Gideonn: ::he also wore study soled boots. Perfect for squishing::

Angelique Matteo: ::She sidled up to her husband and bumped him with her hip::

Barboscatch: ::Ric is not a former Dragon....so he was a evil Elf things in his eyes::

Avraham Lave: "a woman right angel?"

Adron Taal: So how do you know the spirits are walking about? Or should we all pretend?

Avraham Lave: "saw her in here"

Ricoh Gideonn has left this chat.

Ciara Deirdre: Stranger thing, nearly everyone saw her! ::to Angel::

Shahdi Sadani: 'Nother Riverwiss, Reena! ::she called out, waving her empty glass::

Ricoh Gideonn has joined this chat.

Angelique Matteo: Yes, a woman Avram. ::She looked at Ciara:: Really? That's unusual.

Avraham Lave: "stabbed a ghostie guy in the backie"

Havoc Sadani: ::He put an arm around Angel's waist:: Shahdi's d'cided t'get drunk.

Kendra Rulyar: Have some of that stuff:: holds her wineglass under his nose:: I see them tonight .. last year it was just Eliolas...

Riley B O'Rourke: ::She moved up the stairs, slowly, gracefully::

Bliss N Lovejoy: No, that's not fat.

Adron Taal: ::he set money on the bar for his ale and picked up the tankard::

CWT Reena: Angel! Wanna Ribermist? It's free!

Avraham Lave: **::rivermist haveing a euphoric effect on him::**

Havoc Sadani: An' I didn't see any such thing. Couple people talkin' to themselves, though.

Ciara Deirdre: Quite unusual. ::she sips her wine::

Aris Ioannes: ::He followed, admiring the view from behind as they ascended the stairs::

Adron Taal: ::sniffs at the wineglass, and wrinkles his nose:: Why would I want to have some of that stuff?

Aris Ioannes: ::So, it wasn't to be a wasted night, after all::

Ricoh Gideonn: Well...go naked. ::Pleased...he touched her elbow, to get her moving toward the bar::

Angelique Matteo: A...Ribermint? **::she glanced at Reena::**

Shahdi Sadani: Hey. **::She leeeeeeaned on the counter::** Reena, can we just pour in whassits? Pishers?

Ciara Deirdre: Wait.. **::she gestured to Havoc::** you didn't see either the man or the woman?

Kendra Rulyar: It does not taste bad I promise.

Avraham Lave: **"yep. ibbon misty"**

Adron Taal: Pass, thanks.

CWT Reena: Pish whos?

Avraham Lave: **ribbon misty that is**

Havoc Sadani: No, I didn't see anybody but -- **::He looked around and pointed at the obvious visible bodies and named them off::**

Bliss N Lovejoy: Only at home...**::and even then only after Reb was in bed. She moved towards the bar::**

Adron Taal: I've seen enough dead as it is, why would I care to see more?

Avraham Lave: **":pish?"**

Shahdi Sadani: Pishers **::She giggled::** Like a pisher of ale.

Avraham Lave: **"somebody just pished?"**

Angelique Matteo: **::Though speaking to Reena, she was half listening to Ciara and Havoc::**

Mordred Anubis: Spoken true... **::ldly whispered from his spot near the fire, hearing Adron::**

CWT Reena: Oooo pisher! **::giggling::**

Kendra Rulyar: **::Smiles at Adron and now takes her time to look him over::** So we got you back with nothing missing?

Ricoh Gideonn: Such a pity.

Havoc Sadani: You haven't been seein' -- extras, have you? **::he asked Angel::**

Avraham Lave: **"oooo...somebody jes' pished themself"**

Angelique Matteo: **::Oh my goodness. Avram was drunk. She stared::**

Adron Taal: When have I come back with anything missing?

Ricoh Gideonn: **::The tavern was jumping and decorated for the holiday. He himself had worked most of the day::**

Shahdi Sadani: I can help **::she volunteered::**

Angelique Matteo: Extras? No, just the usual for tonight. There's quite a few out and about.

Ciara Deirdre: Kendra, Reena, Av, and **::she gestured to Shahdi, unsure of her name::** she saw them.

Avraham Lave: **"hope it wasn't that ghost guy"**

Bliss N Lovejoy: I don't need you getting into a fight everytime someone looks at me.

Adron Taal: And to answer your question, yes, all parts are still attached.

Riley B O'Rourke has left this chat.

CWT Reena: A Ribermist for Angel too! **::They were sure going through the case quickly, as she poured a drink for Shahdi and one for Angel::**

Avraham Lave: **"I would too if somebody stabbed me in the back"**

Havoc Sadani: An' tonight's full of extras **::Glum, he took another careful drink. No getting sloshed tonight::**

Avraham Lave: **":sipping more of the rivermist"**

Aris Ioannes: **::He kicked the door closed behind himself and Riley, intent on not emerging again until at least daylight::**

Shahdi Sadani: **::She pulled on her lip as she stared at a place right next to Reena, and her brow furrowed in worry::**

Angelique Matteo: They don't do any harm. **::she smiled at Havoc::**

Ricoh Gideonn: **::he arched a brow, at her side while they navigated the busy commons::**

Adron Taal: It seems...:watching the others:: That drinking that concoction makes one a bit...drunk. ::pointing to Kendras stemware::

Bliss N Lovejoy: Hey Havoc, Angel...:waving again at all those she knew::

Angelique Matteo: Hello Bliss, Ric!

Ricoh Gideonn: ::nodding to Angel and Havoc::

CWT Reena: ::She wasn't even bothering to hide her glass any more:: Hey Bliss. Wan some Ribermis?

Havoc Sadani: They might ::he argued, then turned to wave his glass carefully at Bliss and Ric:: Evenin'

Adron Taal: ::he took a pull from his tankard::

Bliss N Lovejoy: No, just tea.

Kendra Rulyar: Oh please, this is not even my second glass. I do need to drink a little more to get drunk.But if I do get drunk do you promise to drag me home?

Shahdi Sadani: Lookee, Angel ::She whispered, still staring:: Y'see tha'?

CWT Reena: How about you, handsome? ::to Ric::

Avraham Lave: "we all will keni"

Adron Taal: Yeah, after tossing you in the lake to sober you up.

Kendra Rulyar: Toss me over the horse ..make sure it finds it's way home?

Avraham Lave: "never fear"

Avraham Lave: "we'll take care of ya"

Kendra Rulyar: Thanks Av'.

Ricoh Gideonn: ::He was handsome. But he hadn't been called that from a woman not Bliss for a long time. He stared a moment:: How about me what?

Kendra Rulyar: Oh the lake, been a while since I went in head first ::chuckles::

Angelique Matteo: See what? ::She looked:: Oh yes, I see that one. I think a few more have come in. More will be here soon, if they know people can see them.

Avraham Lave: "hey where can I get some of those...'blizzard'?... berries?"

Avraham Lave: "they smell pretty good"

Kendra Rulyar: They are all around the windows Av', go take some.

Havoc Sadani: Y'need t'be tossed in th'lake? ::he perked up at the direction of Kendra's conversation:: I can help.

CWT Reena: ::She made some tea for Bliss, but couldn't swear what kind it was:: Free Ribermis.

Adron Taal: Well get drunk then and I'll be happy to reacquaint you with the experience. ::another pull from the tankard::

Avraham Lave: "yo-fee!"

Avraham Lave: "jes' might"

Shahdi Sadani: They come special? Just cuz people can see them?

Avraham Lave: :::to angelique::: they will?"

Adron Taal: I doubt it. ::to Havoc:: It requires lifting.

Angelique Matteo: Some do. Some want the attention.

Havoc Sadani: ::He glowered:: And?

Shahdi Sadani: Why?

Angelique Matteo: Yes, Avram. Sometimes the best thing to do is ignore them. They might go away.

Avraham Lave: "well then maybe my ol' cat pal oscar will visit again like last year"

Kendra Rulyar: And people say you do not care about me ::chuckles and sips a little more on her wine, still avoiding to look into the mirror behind the bar::

Adron Taal: That eliminates your participation. Lifting is too much like work.

Havoc Sadani: What, y'think I can't?

Angelique Matteo: I don't know for sure. They're lonely? There's something they want, a message to deliver. Some are just insane.

Bliss N Lovejoy: I wonder if Gramps will come visit again this year.

Adron Taal: Lift or work?

Adron Taal: No and no.

Shahdi Sadani: Gadji? ::she whispered and took another drink::

Mordred Anubis: ::Smirk at something, eyes merely gazing into the flicker of flames within the fire. ::

Angelique Matteo: ::Ribermist. There was some in front of her. She shrugged and took a sip::

Avraham Lave: "not my oscar angel"

Angelique Matteo: Yes. ::to Shahdi::

Ricoh Gideonn: ::he shrugged at Reena::

Havoc Sadani: ::His glower deepened. Then it slowly segued into a smile:: Hey, Angel.

Ricoh Gideonn: What? ::to Bliss::

Avraham Lave: "oscar was a great cat"

Kendra Rulyar: Hey ::looks into her glass:: I see no more ghosts!

Ciara Deirdre: ::she sips her wine and looks to Angel:: Odd, isn't it? To not be unusual for at least a short time?

Bliss N Lovejoy: It's Rivermist and it's from Balthazor...::filling Ricoh in::

CWT Reena: ::She poured him a glass anyway. It was free after all::

Avraham Lave: "kinda like taka"

Angelique Matteo: Yes Dhami?

Avraham Lave: "even though taka is a bald eagle"

Shahdi Sadani: ::She sank onto a stool and looked around. Her face grew a little more pale::

Barboscatch: ::oh yes and he slowly crawls up the back of the right leg of Bliss::Oh woman....

CWT Reena: What's a gadgee?

Adron Taal: And that's disappointing? ::turning back to Kendra:: And of course I care. I would even make sure you didn't drown.

Ricoh Gideonn: ::He stared at the glass of rivermist. Balthazor was not his favorite country:: Drop some serky into a mug of ale too.

Havoc Sadani: Adron thinks I'm a kept man.

Ricoh Gideonn: ::to Reena::

Angelique Matteo: I've never heard of anything like this, really. ::she said to Ciara:: Are you certain they just aren't drunk?

Bliss N Lovejoy: ::Which is why Bliss said something::

Kendra Rulyar: Oh thank you ::said very dry::Only because you would have to work more if I drown.

Ciara Deirdre: They could be, but I saw what they did.

Adron Taal: Kept man? No. ::tilting his head as if thinking:: I was thinking more along the lines of... shiftless, lazy. More like that.

Angelique Matteo: You are a kept man. ::an aside to Havoc, with a devious smile::

Ricoh Gideonn: ::then to Bliss:: Hopewell?

Shahdi Sadani: ::Her mouth opened, then closed again:: Ooooh... ::she whispered:: Look...

Avraham Lave: "me too"

Ciara Deirdre: I hadn't been drinking until after she stabbed him and ran out.

CWT Reena: No problem! ::She found a mug, filled it with ale, then a healthy, or unhealthy, amount of serky into that::

Avraham Lave: ::in response to ciara::

Ricoh Gideonn: ::which isn't what he called grandpa to his face...but the guy was dead. He wouldn't care::

8:45 PM

Angelique Matteo: Everyone saw the same thing then, Ciara?

Bliss N Lovejoy: ::nodded:: Yes, Grampa.

Havoc Sadani: Kept real fine ::he grinned, wrapping an arm around her waist::

Ciara Deirdre: Havoc didn't see it.

Ricoh Gideonn: Oh right...ghost night.

Kendra Rulyar: Havoc only wants to see Angel::giggles::

CWT Reena: ::She turned to look and see what Shahdi saw::

Adron Taal: No, I wouldn't to Kendra. It would cost me more money when I hired your replacement though.

Bliss N Lovejoy: Hopewell Devin Lovejoy...::smiles::

Havoc Sadani: An' you're right ::he nodded at Adron. ::Y'always are, aren't ya? ::There was a glimmer of ice in his dark eyes::

Angelique Matteo: ::She laughed at Kendra's words. Leaned in against Havoc::

Kendra Rulyar: :gives Adron a soft push in the arm::

Ricoh Gideonn: ::he paid for their tea and the serky concoction::

Adron Taal: Not at all. Time and time again I have been proven incorrect.

Barboscatch: ::Oh and up the leg he goes::

Havoc Sadani: ::He took the opportunity to sneak in a kiss::

Adron Taal: ::that last to Havoc::

Bliss N Lovejoy: ::did she just hear another voice, glances down:: Hrmph..

Angelique Matteo: ::No objections to that!::

Shahdi Sadani: I didn't -- I didn't know... ::She sent a worried look around at what she thought were the real people.::

Barboscetch: I am a Dragon::hissed the waterbug:: Fear me!

Avraham Lave: ::looking around the room, sees the bug again::: "hey there goes that bug again."

CWT Reena: Tavern's crowded tonight.

Avraham Lave: "going up somebody's leg"

Havoc Sadani: I don't have a single shift ::he confessed::: Tha' makes me shiftless, ay-ya? Angel does, though.

Ricoh Gideonn: ::He took a healthy swallow of his drink not rivermist. Not yet anyways.::

Bliss N Lovejoy: Dragon? ::looking at the floor then at the rafters::: Okaaay...hearing things...

XRemembranceX: ::And getting even more crowded. Amongst the living patrons roamed a few more spirits.::

Ricoh Gideonn: What he have to say?

Ricoh Gideonn: Dragon?

Kendra Rulyar: Ha look ::points towards one ghost::

Ricoh Gideonn: ::staring at Bliss::

Adron Taal: ::another pull from the tankard::

Avraham Lave: "that dirty bug"

Adron Taal: ::then looks::: Look at what?

Bliss N Lovejoy: Oh, he just told me not to be scared. I wasn't alone. That's I'd never be alone.

Barboscetch: I am Barboscetch ::flutters the bug wings which makes a queer sound::

Angelique Matteo: ::She looked at Kendra, the ghost she was pointing to. Then looked at Ciara with brows raised.::

Adron Taal: Ay ya? ::to Havoc::: What the hells is Ay-ya?

Shahdi Sadani: What are you doin' here? ::she asked of a spirit standing right at her shoulder and looking at her intently.::: Go 'way.

Ricoh Gideonn: ::looking about for the weird fluttering sound...spying the bug on Bliss' leg::: Hey, there's a bug on you.

Mordred Anubis: ::Slips up from his spot at the fire slowly, adjust of the sword at his side and moving for the end of the bar::

CWT Reena: Maybe he wants a date. ::to Shahdi.::

Havoc Sadani: Has nothin' t'do with hells. Y'gadji oik.

Bliss N Lovejoy: Barboscetch?

Ricoh Gideonn: ::quick as lightning to brush it away or try to::

Ciara Deirdre: ::she taps a finger against her lips as her guardian murmurs in her ear then she looks to Angel::: See what I mean.

Avraham Lave: "hey taht's enough harrassing tonight"

Shahdi Sadani: He can't have one ::She spun away from it.::

Barboscetch: I am a Dragon! Dragon! Get those ears washed once in a blue moon, they are big enough you should not miss them!::hisses again::

Angelique Matteo: Indeed. It makes no sense, either.

8:50 PM

Havoc Sadani: What doesn't?

Adron Taal: ::rolls his eyes up::: Sorry, of the many languages I speak, what ever you are speaking, is not one of them.

CWT Reena: You heard the lady, doowaddle. Beat it! ::She spouted at the ghost::

Avraham Lave: "a bug crawling up bliss' leg and a ghost looking over shadi' shoulder. and making them feel uncomfortable"

Barboscetch: Yes the one and only ::to answer Bliss::: See the woman is smart you you EAR thing::hisses at Ric and takes off for a table.::

Havoc Sadani: Ha ::he sneered at Adron. Just because.::

Angelique Matteo: Dhami, people in here are seeing ghosts. That doesn't usually happen.

Bliss N Lovejoy: ::looks at Ricoh::: Maybe we should have stayed home, in bed.

Angelique Matteo: Not like this.

Havoc Sadani: ::Frowning, he turned and looked over the room.:: Everyone looks solid enough t'me...
DanteVoltan has left this chat.

Kendra Rulyar: Want a Berry?::offers one up to Adron::

Ricoh Gideonn: And have your granpa visit? ::he gave her a rakish grin::

Angelique Matteo: I wonder why you aren't seeing them. ::musing::

Adron Taal: A berry?

Avraham Lave: :::finishes the rivermist in one final rather long swallow then sets the now empty container on the far side of the counter:::

Adron Taal: Is it tainted?

Ricoh Gideonn: Is there a copy of the herald? I wanna smash that bug.

Bliss N Lovejoy: Ooo, that could prove embarrassing.

Shahdi Sadani: ::She took hold of her necklace with one hand and her drink with the other and backed slowly away from the counter.:: No. G'way. I'm not talkin' to you. Or you, neither!

Ciara Deirdre: Some spirits are felt, but not seen. This, however is most unusual. ::she heads for the privy::

XRemembranceX: ::From outside, there came a very low rumble, almost too low to detect.::

Kendra Rulyar: hey that one is trying to look down Reena's shirt::motions to a ghost, sideways to Adron::not just any berry, a blizzard berry.

Havoc Sadani: I dunno. I saw my ma once...

Avraham Lave: " me too ricoh"

XRemembranceX: ::Like...movement.::

Adron Taal: What is trying to look down who

CWT Reena: Oh crud. ::She paled and ducked behind the counter as a young ghostly man walked through the door of the tavern::

Avraham Lave: "crawling up a woman's leg like that"

Adron Taal: Who's shirt?

Shahdi Sadani: What ... ezzackly... are blizzarberries?

Avraham Lave: "that's not right"

Kendra Rulyar: The bartenders shirt Adron.::One ear twitches::

Adron Taal: And what is a blizzard berry? ::looking at the berry held between her fingers::

Ricoh Gideonn: ::Nodding at Avraham:: Uh yeah...

Havoc Sadani: Oh, what? ::He peered over the counter to see where Reena had gone.:: What are y'doin?

Angelique Matteo: It happens. But not usually like this. Everyone's seeing the same things. It's just...gadji. I guess. ::she took another sip of Rivermist::

Ricoh Gideonn: ::glancing about, something was definately up::

Kendra Rulyar: Keeps the spirits away they say::to Adron about the berry::

Mordred Anubis: ::Light rub of his left temple, turning from the bar and heading for the stairs and the room he kept::

Adron Taal: Well... More power to it. ::referring to the ghost::

Mordred Anubis has left this chat.

CWT Reena: Shh. ::She whispered:: My husband's here.

Avraham Lave: ::to angelique:: "well gadji is as gadji does"

XRemembranceX: ::Whatever it was, it was coming closer.::

Adron Taal: Ah. So does this. ::patting the hilt of Solaris::

Shahdi Sadani: I dunno. I said I dunno an' I meant I dunno! ::She pushed at a vague form standing in front of her.::

Angelique Matteo: ::She smiled at Avram, amused.:: Very true.

Havoc Sadani: ::He looked around.:: Where?

Avraham Lave: :::feeling kind of euphoric:::

Ricoh Gideonn: Something's not right.

Angelique Matteo: Shahdi. Just ignore it. Think of something else.

Kendra Rulyar: You have a husband?::to Reena in surprise::

CWT Reena: Shhh! He'll hear you. He just came through the door.

Kendra Rulyar: ::Leans into Adron , even if he stinks just a little::

Shahdi Sadani: ::She blinked at Angel, then looked back at the spirit.:: But I know him.

Angelique Matteo: ::She sighed:: Well then. You could ask him what he wants.

Bliss N Lovejoy: What? ::looks about::

Kendra Rulyar: I am so not looking into the mirror....::as if Adron would have a clue about that Mooncalling Mirror buisness::

Adron Taal: ::he has that distinct charnal house smell about him once again::

CWT Reena: ::The ghostly man was in his early twenties, and didn't look happy::

Havoc Sadani: ::Things were getting weirder and weirder, but it was Mooncalling -- what did he expect? ::He took another small drink of his plain old serky and picked up a bowl of nuts::

Adron Taal: Why? ::looking at the mirror::

Havoc Sadani: Would I be repeatin' myself if I said I want t'go home?

Kendra Rulyar: It is Mooncalling! Unmarried women do not look intot he mirror on Mooncalling.

Adron Taal: You need permission to go home? ::to Havoc::

Avraham Lave: "why not ken?"

XRemembranceX: ::For those who had heard the sound before, it might have been growing recognizable as footsteps. A lot of footsteps::

Adron Taal: What? ::looking back at Kendra::

Ricoh Gideonn: ::glancing sidelong at Kendra::

Shahdi Sadani: ::She looked uncertainly from Angel to the spirit. After a moment, she said something to it, but the words were clearly not in Common::

Kendra Rulyar: He is married ;softly to Adron:: Because you see your future Husband in the mirror, or a skull and if you see a skull this means you die before you ever get married Av'rahm.

Havoc Sadani: No, I don't need permission t'go home ::he sighed::

Angelique Matteo: Yes. ::she said to Havoc, absently. She'd turned to look at the young ghost who'd come in::

Avraham Lave: "that's not nice"

Adron Taal: ::shaking his head:: That's rubbish. ::to Kendra::

Avraham Lave: "the skull part taht is"

Kendra Rulyar: Maybe but maybe it is not. I am not trying for sure ::chuckles::

Havoc Sadani: ::He just nodded to himself and stuffed his mouth with nuts. It seemed fitting::

Ricoh Gideonn: ::He shrugged:: It's Mooncalling. I shouldn't be so suspicious.

Ricoh Gideonn: ::Huh? Did he just say that?::

Kendra Rulyar: ::Now her other ear twitches and she looks at Ric::Do you hear this?

Bliss N Lovejoy: ::she reached out to feel his forehead:: Do you feel okay?

Shahdi Sadani: ::The man that stood in front of her was dark-skinned and dark-haired and bore a look similar to Shahdi. Every time she took a step away, he followed her, whispering and pleading::

Adron Taal: ::shook his head, watching the others in the room::

CWT Reena: ::The ghostly man paused, then moved over to Angel;

Ricoh Gideonn: Hear what? ::he glanced Kendra's way::

Avraham Lave: "but what if a guy looks into a mirror on mooncalling ken?"

Havoc Sadani: How's your drink? ::he asked Angel, trying for nonchalance::

Kendra Rulyar: Something moving outside...

Adron Taal: He see's that he is in need of a shave. ::in response to Av's question::

Ricoh Gideonn: Your <bleep> falls off. ::he said To Av::

Angelique Matteo: It's...fine... ::She was staring at the young man who was approaching her::

Kendra Rulyar: ::hears Ric and bursts out laughing::

Adron Taal: ::snorts, hearing Ric's response::

Ricoh Gideonn: ::He looked to a window, but what he was really doing was listening::

Bliss N Lovejoy: ::giggles::

XRemembranceX: ::Footsteps, marching, that's what they were doing. Coming ever closer::

Shahdi Sadani: ::Back and back she went until she bumped into a settee. She manuevered around it, all the while watching the face of the ghost following her and all the while looking more uncertain::

Adron Taal: What's moving outside?

Kendra Rulyar: Adron do you not hear this? Somebody is outside ...

Avraham Lave: ::to ricoh:: "my what?"

Adron Taal: ::another pull from the tankard::

Ricoh Gideonn: ::He just grinned at Avraham as he pushed away from the bar::

CWT Reena: (Ghost) Can you hear me? ::to Angel, stopping next to her::

Ricoh Gideonn: ::Quick strides took him to the door::

Adron Taal: ::then a look at Kendra:: You know what. I think you should swear off of alcohol and odd little berries.

Havoc Sadani: ::He looked in the direction Angel was looking, but all he saw were a pair of patron talking and drinking::

Angelique Matteo: Yes, I can hear you.

Havoc Sadani: What?

Avraham Lave: "ya oughtta be ashamed of yerself"

Adron Taal: Did we have a few toadstools in the woods before coming here?

Avraham Lave: "i'd never say that to you"

Kendra Rulyar: Oh ...;waves Adron off, hands him her wine and follows Ric to the door:: I am not drunk yet, and I am hearing something...

Bliss N Lovejoy: ::takes a few sips of tea::

Shahdi Sadani: ::She looked over her shoulder at the portal, then back::

Ricoh Gideonn: Why not? ::giving Av an odd stare...then he pushed outside to survey the land::

Avraham Lave: "sigh"

CWT Reena: (Ghost) Do you know Darina Weldon?

Adron Taal: Well, I don't hear anything.

XRemembranceX: @::*Outside, a mist had risen, obscuring the land. But from within it there was movement. Steady movement. A glimpse of...banners?::*

Angelique Matteo: I'm not sure. It doesn't sound familiar. Why do you ask this? ::quietly::

XRemembranceX: @::*The whinny of a horse carried on the wind::*

Avraham Lave: ::heads outside to join the others to see what the hubbub was about::

Kendra Rulyar: I do so let me see...maybe it is my imagination running away with me ::opens the door to look outside after Ric and her mouth drops open::Oh bloody Abyss I am seeing things!

Avraham Lave: "as am I ken"

Kendra Rulyar: It is foggy! ::and she steps all the way outside::

Avraham Lave: ::still feeling euphoric from the drink::

CWT Reena: (Ghost) ::Windom, not Weston!:: You can touch the other world. She is near. I need to talk to her.

Ricoh Gideonn: @::On the porch, the mist swirled about him as he hung off one of the tall posts::: I hate Mooncalling.

Avraham Lave: "ro maybe it's the ribbon misty I just had"

Havoc Sadani: What're you -- Oh. ::Another swift drink::: Are you talkin' to a ghost?

Adron Taal: ::leans against the bar, watching the others go outside::

Kendra Rulyar: @Did you just see a banner?

Shahdi Sadani: I can't ::she whispered, and looked back at the portal again::

Kendra Rulyar: @Could you make it out::this to Ric::

Bliss N Lovejoy: ::rubs a hand over the gentle swell of her belly:: (s)Daddy's getting odd.

Angelique Matteo: Yes, Dhami ::softly. THEN to the ghost::: I make no promises. What is your message?

Ricoh Gideonn: @::He shook his head::: Can't see in the dark.

XRemembranceX: @::*The ground, it was almost vibrating now. A few horses came into view, and their riders. Then a few more. And a few more::*

Avraham Lave: "hey! wild horses!"

CWT Reena: (Ghost) Tell her to speak to Jon's father. To agree to the divorce before my father knows I've died.

Avraham Lave: "too bad scout's not here. he'd love to see this"

Adron Taal: ::another pull and the tankard was empty, he set it on the counter::

Havoc Sadani: ::He inched up closer to her, then cast a worried look around for his sister to find her standing by a settee, engaged in what appeared to be a serious conversation with -- nobody::

Kendra Rulyar: @::Not so sure she wants to step into the fog, so she just watches while her ears go back and fourth::: There are many ...

Angelique Matteo: ::That surprised her.:: I will. ::softly:: Anything else?

CWT Reena: (Ghost) Tell her.. tell her I'm sorry.

Adron Taal: ::then he pushed off from the counter and headed out the door next to Kendra, his own little smell of death along with him::

Havoc Sadani: ::Another bunch of nuts was crammed in his mouth and he chewed studiously.::

Havoc Sadani: ::Humming.::

XRemembranceX: @:::Behind them, men marching, a great many of them. There were glimpses of armor, weapons.::

CWT Reena: (Ghost) ::He just faded, and was gone.::

Havoc Sadani: ::Yeah, that would help....::

Angelique Matteo: ::Before she could even answer. She gave a belated nod.:: He's gone Reena.

Kendra Rulyar: @:She whispers:: Do you see this .. it is an Army ..but what banner?

XRemembranceX: @An army was marching on the tavern.::

CWT Reena: ::She peeked out from behind the counter:: Are you sure?

Ricoh Gideonn: @ Coming towards us.

Avraham Lave: @ "army eh"

Ricoh Gideonn: @::resigned::

Havoc Sadani: Gone is good. Is there a line or somethin'? ::He peered around, but there were still only regular bodies to see. He thought. He hoped....::

Avraham Lave: @ "great"

Avraham Lave: @ there goes the tavern"

Angelique Matteo: Yes, I am certain. He had a message for you. ::She breathed out slowly.:: Two messages, to b exact.

Kendra Rulyar: @Adron do you see anything besides the fog?

XRemembranceX: @:::Was that a moon on one of the banners?::

CWT Reena: There's nothing he could say which would help me forgive him.

Shahdi Sadani: ::Back and forth she went with her spirit, until she was finally turned and facing the portal. She took another drink of her Rivermist and sighed.:: He won't ::she whispered.:: Y'know he won't.

Adron Taal: Yeah. Horses, armor, banners.

Adron Taal: @

Angelique Matteo: He said....speak to Jon's father. Agree to the divorce before his father knows he is dead. He also...apologized.

CWT Reena: Dead??

Havoc Sadani: ::That drew his attention and his brows crooked.::

Adron Taal: @:::he was leaning against the rail, arms folded wishing he had another tankard of ale::

CWT Reena: He damn near killed me and Jon, and he wants to apologize??

Kendra Rulyar: @:::leans into Adron and watches them come closer and more into view:: We are well ..well done for?

XRemembranceX: @:::Their path was going to take them very close to the tavern. Beneath the sound of footsteps there came the sound of men speaking.::

Havoc Sadani: Tha's bad?

Angelique Matteo: ::She shrugged, almost apologetic herself.:: I am only relaying the message.

Ricoh Gideonn: @:::He mirrored Adron's posture and position.::

Bliss N Lovejoy: ::another sip of tea and she sighed:: Guess we'd better go see what he's up to.

Ricoh Gideonn: @ :::but at an opposite end of the porch::

Adron Taal: @So what is this? An army of the dead? Undead?

CWT Reena: Well, I'm glad he's dead. Couldn't happen to a nicer man.

Avraham Lave: "hopefully they'll go tramping by or disappear by the time they get to the building"

Shahdi Sadani: ::The spirit continued its appeal to Shahdi, slipping closer to her. It's voice became more cajoling, softer.::

XRemembranceX: @Then as one, the army came to a halt. The lead man on horseback, turned and gazed at those on the porch.::

Kendra Rulyar: @:::slides a little closer to Adron.::

Havoc Sadani: ::He rubbed his chin.:: Your husband, y'said?

Bliss N Lovejoy: @::and off she went out the door after Ricoh:: Sparky?

Angelique Matteo: Did the message make sense? ::she sipped at her Riber...uh...Rivermist::

Avraham Lave: @ "uh oh. I don't like the way that one is looking at us"

Havoc Sadani: Nuts? ::he asked Angel, casually sliding the bowl closer::

Ricoh Gideonn: @ ::He looked over his should at Bliss and smiled a little:: We're about to be attacked.

Shahdi Sadani: A'right ::she said at last, and the spirit smiled widely::

Angelique Matteo: ::She bit back a giggle:: Thank you, Dhami. ::she took a handful::

Bliss N Lovejoy: @Again? ::stepping towards him with the idea of protecting him::

XRemembranceX: @::He drew his sword -- it glittered in the moonlight...::

Adron Taal: @That could be interesting. ::in response to Ricoh's words:: But whats with that banner. Silver Moon?

Havoc Sadani: You like this, don't you? ::he asked, glancing around for Shahdi again::

CWT Reena: I'm sorry if you think me callous, but he beat me every time he got drunk. He broke bones. His father is worse though. So, yes. It makes sense.

Angelique Matteo: Yes. ::she admitted, chuckling::

Angelique Matteo: ::that to Dhami::

Kendra Rulyar: @It is the Silver Moon::draws a deep breath and starts to twitch just a little, must be the wine::

Avraham Lave: @ "as in the 'silver moon knights"

Avraham Lave: ?"

Adron Taal: @Can't be the Spoons. They're not running away like usual.

Havoc Sadani: I'm still waitin' for th' vi-- vic -- what's it called?

Kendra Rulyar: @Adron...

XRemembranceX: @::...and held it aloft, like a salute. But his face was serious, somber. His lips formed the words "Be ware."::

Ricoh Gideonn: ::Holding an arm out for Bliss to slip into if she wanted::

CWT Reena: Who's the man Shahdi's talking to?

Angelique Matteo: Shahdi? ::so caught up was she in speaking to the young man that she'd lost track of her:: I don't know...

Avraham Lave: @ "hey did he just say 'be ware' ?"

Bliss N Lovejoy: @::and so she did::

Shahdi Sadani: ::She looked down into her glass, her brows furrowed::

Adron Taal: @What? ::to Kendra, as he watched the show outside the tavern:: It's true.

Adron Taal: @::okay, so there was a bit of rivalry there::

Kendra Rulyar: @Cravi never ran...:watches the man with the sword::Beware of? Of !

Shahdi Sadani: A'right ::She said again and lifted it to empty the thing. Then she handed the glass to the spirit -- and it promptly fell and shattered across the floor. Oblivious, she turned and crossed the small distance to the portal::

Avraham Lave: @ "of what I wonder?"

XRemembranceX: @::Uncooperative ghost army, they did not answer Kendra. They began marching again. the ground rumbling beneath their feet. Some were coming straight for the porch..:

Angelique Matteo: Shahdi? What is it? ::she called out::

Adron Taal: @Yeah, well there *are* exceptions.

Havoc Sadani: What's he look like? ::he asked, turning to see::

Kendra Rulyar: @Oh oh :: hides behind Adron::

CWT Reena: Excuse me while I tell Asa I'm off for the night.

Shahdi Sadani: ::She tipped her head as the spirit bent close to whisper. Then she echoed his words and the portal flared to life::

Bliss N Lovejoy: @::snuggled against Ricoh::

Adron Taal: @Spirits Kendra. They can't do anything.

Adron Taal: @At least they shouldn't be able to do anything.

Ciara Deirdre: @ ::she was finally able to get out of the privy:: How many times do I have to tell you, don't lean on the door!

Kendra Rulyar: @Do I have to like it even they head towards us .. no ::still behind him, he is taller::

Havoc Sadani: *Shahdi?! ::In sudden alarm, he banged down his tankard and leaped off his stool::* Shahdi, wait!

XRemembranceX: @::The ghosts marched through the porch. Through the people there, with a rush of cold air::

Avraham Lave: :::moves into kendra' vacated spot:::

Angelique Matteo: Oh no...

Kendra Rulyar: @::Shivers and now clings to Adron::

Shahdi Sadani: ::It was too late. Shahdi stepped into the portal, and the spirit flowed after her::

CWT Reena: ::She headed into the kitchen, but paused when she heard Havoc::

Kendra Rulyar: @::Even if he is dirty and bloody and stinks...::

Adron Taal: @<w> Nice... this is how the General of the Wolves acts? Cowering at mere spirits?

Avraham Lave: :as if to shield her from whatever this ghosts might do:::

Ricoh Gideonn: @ Gah. ::turning Bliss away from the marching, trying to be a shield but of course, they were ghosts::

Kendra Rulyar: @::softly from behind Adron:: see that tall Elf woman?

Angelique Matteo: ::She stared with eyes wide::: Gods, where did she go?

Adron Taal: @Yeah, what about her?

Avraham Lave: :::wrinkling his nose at adron's desheveled appearance:::

CWT Reena: Is there some reason she shouldn't go through the portal?

Havoc Sadani: No! No! No! Shahdi! ::He ran at the portal. It shimmered and swirled. He stepped into it, only to be bounced right back out again:::

XRemembranceX: @::Once they'd passed through, the temperature came back up. And the army marched on, back into the mist:::

Kendra Rulyar: @She does not look familiar to you?::with the red and golden hair::

Angelique Matteo: ::She followed after Dhami::: Careful...

CWT Reena: ::Shrugging, she headed into the kitchen for a moment:::

Havoc Sadani: ::He stumbled backward a step, then tried again with the same result:::

Adron Taal: @Should she?

Angelique Matteo: Dhami, don't. It's too late. Come on. ::reaching for him:::

Adron Taal: @::thinking that every other elf here had red and gold hair:::

Kendra Rulyar: @My mother went to the Battle of first Dawn...

Ciara Deirdre: ::shaking her head, she walks back inside::: I should know better than ::a curious look to Havoc::: Is it broken again?

Avraham Lave: @ "ahh good. they're gone"

Adron Taal: @What was that?

Havoc Sadani: ::Blindly, he reached for Angel's hand, still staring at the portal::: Where could she have gone? Why didn't she say? ::He turned bewildered eyes on her::: Who was she talkin' to? Did you see?

Adron Taal: @I mean, besides the obvious.

Angelique Matteo: A man. Dark like her, a little taller. But that's all I know. I never heard what he said, I was focusing on another. I'm sorry, Dhami.

Avraham Lave: @ "did look like he was trying to say 'beware' "

Kirin Fand: @ ::she came out of the stable and made her way around to Kendra and Co::: Has the ground stopped thudding, yet? ::rubbing her temples:::

Avraham Lave: @ "beware of what though"

Adron Taal: @::a sigh::: You know... A little flat in Waterdeep is starting to sound better and better all the time.

Kendra Rulyar: @I think we just saw an army...

Kendra Rulyar: @ I do not fit in at Waterdeep ::hugs her Adron from behind:::

Ricoh Gideonn: @::wasn't there a guy who fell from the sky saying the exact same thing?:::

Havoc Sadani: Tha' could be anyone ::he moaned, turning back to the portal:::

Avraham Lave: :::curious look on his face::: @ "Waterdeep?"

Ciara Deirdre: ::needing to be quiet, she takes up her wine again:::

Ciara Deirdre: A grandparent, an uncle ... ::thinking aloud::

Ricoh Gideonn: @ You ready to go home, Bliss?

Havoc Sadani: ::He glanced over Angel's shoulder at Ciara.: No.

Adron Taal: @::a shrug:: Kendra seems to think it's an omen. Like we'll all die painfully.

Bliss N Lovejoy: @Already? ::had her eyes shut and was hiding in Ric's shoulder::

Kendra Rulyar: @I did not say that!::frowns::

Angelique Matteo: I don't know for sure. But I can ask for assistance. ::Already her eyes had gone out of focus. She was listening.::

Kirin Fand: @ Omen, perhaps, but more likely ward off such an end.

Kendra Rulyar: @Good night Ric, send my good wishes to Mik. Sleep well Bliss.

Adron Taal: @You said it wasn't good.

Avraham Lave: "yes. it did seem to be a warning"

Havoc Sadani: D'you need anythin'? A drink? A chair?

Kendra Rulyar: @It is not good, does not mean we all die painful. I try to love first you know...

CWT Reena: ::Reena returned with a bit of bread to calm her stomach, and a few coins richer for working tonight.::

Kirin Fand: @ Bliss, Ric. ::she nodded to each of them in turn::

Kendra Rulyar: @ and live a little when die ...without the pain please...

Adron Taal: @Anytime an omen like that shows up here, the ground splits open, cats and dogs start sleeping together and well.. ::a shrug::

Ricoh Gideonn: Yeah. I hate Mooncalling. ::to Bliss::

Avraham Lave: "regardless"

Ricoh Gideonn: @::being walked through by ghost armies is no picnic::

Kendra Rulyar: @Oh I am going inside ...

Adron Taal: @It will now. We've had the omen.

Kendra Rulyar: @::Lets go of Adron::When you better speed up your courtship, I would like to get a little more of you before you die painfully.

Angelique Matteo: ::She did not answer. She just...stood there.::

Kirin Fand: @ I wonder if this has anything to do with whatever he was that blinded Cris and called me Sister for some reason.

Avraham Lave: @ "I doubt we're gonna die painfully ken"

Adron Taal: @Speed up my courtship? ::to Kendra's back:: And who says it's me thats going to die painfully.

Bliss N Lovejoy: @Okay

Adron Taal: @I already did. It's your turn.

Angelique Matteo: Home. ::she said finally, with no preamble::

Ricoh Gideonn: @Unless you want to stay.

Kirin Fand: @ ::she chuckled:: I think he missed the point.

Kendra Rulyar: ::pushes the door open and turns to Adron:: But I do not want a turn at dying painfully!

Havoc Sadani: ::He stood in front of her, watching her intently:: Home? ::he echoed:: Home where? Whose home?

Adron Taal: @::shaking his head:: Good night Bliss. ::and a nod to Ric, to whom he hadn't been introduced, such appalling manners these days::

Avraham Lave: *sigh*

CWT Reena: ::Reena listened curiously to Havoc and Angel::

Angelique Matteo: ::She blinked a few times:: Just...home. That's all they keep saying to me.

Adron Taal: @::he followed Kendra into the tavern:: You're a wimp.

Havoc Sadani: ::His shoulders slumped::

Angelique Matteo: There's so much noise, so many of them tonight, all talking at once...

Kendra Rulyar: I am not ..I just do not like that kind of pain much, Adron.

Bliss N Lovejoy: @::shakes her head:: No, I want to go home.

Kendra Rulyar: A dead Army just walked through us:: to Angel and Havoc::

Ciara Deirdre: ::she exchanges a few words with her guardian and they exit silently through the portal::

Adron Taal: Oh, don't worry, it usually doesn't last that long, because shortly after that, your dead.

Ciara Deirdre has left this chat.

Bliss N Lovejoy: @Night Ken, Kirin, Adron.

Angelique Matteo: What? ::she blinked at Kendra::

Avraham Lave: ::all of a sudden sees a familiar feline:: @ "oscar?"

Kirin Fand: Night, Bliss, we well. ::on her way inside::

Kendra Rulyar: ::waves to Bliss before the door would well close on her and Adron unless Av holds it open::

Kirin Fand: ::be well::

Havoc Sadani: I'm sorry, I -- ::He frowned at Ciara and her buddy as they went past, then reached for Angel again::

Ricoh Gideonn: @ No ghosts for us. Just the living... ::His arm tight around her shoulders::

Lun de Trois has joined this chat.

Bliss N Lovejoy: @A good plan.

CWT Reena: Is that bad, that she went home?

Havoc Sadani: A what?

Bliss N Lovejoy has left this chat.

Kendra Rulyar: I do not plan on dying Adron, I am not done here yet ::frowns:: I would miss you just a little if I did.

Avraham Lave: (oscar) "meow" ::purrs. eyes half closes then opens again::

Angelique Matteo: I don't really know what they mean by home, Reena.

Barboscatch has left this chat.

Adron Taal: ::steps back up to the bar:: Asa, another fire ale for me, and a strong tea. ::pointing at Kendra:: For her.

Havoc Sadani: Can-- D'you think she could get all th'way from here t'home home from here?

Adron Taal: Unless I died along with you.

Kendra Rulyar: ::smiles at him:: True but lets just not do that yet...

Avraham Lave: ::walks up to her::

Kirin Fand: I'll take a serky. ::holding up one finger to get Asa's attention when he gets time::

Angelique Matteo: I'm not sure. I don't know that much about the portals. Maybe someone else could say.

Adron Taal: Well, it's not like I go out of my way to get killed.

Avraham Lave: ::oscar motions her head as if rub against him affectionately::

Ricoh Gideonn has left this chat.

Havoc Sadani: ::He looked at the portal again, then sighed heavily::

Adron Taal: So you think you saw your mother then? ::to Kendra::

Angelique Matteo: I'm sorry, Dhami. I should have noticed, should have been paying closer attention.

Avraham Lave: ::then a picture of bright sunny warm fields with life and plenty of water and food and then a word forms in his mind "Rainbow Bridge" :::

Lun de Trois: ::Mooncalling was one of the most fantastical nights of the year for the necromancer who sat in a far shadowed booth::

Havoc Sadani: It wasn't your job, it was mine.

Kendra Rulyar: I rather have you alive ::leans in and kisses his cheek softly:: Could have been yes, she never came back home after the battle. This is why Dalma raised me.

Lun de Trois: ::watching the ghosts come and go, even spying old Cornelius...he remembered him. Yes::

Angelique Matteo: But I was the one who could see. ::She sighed, too, almost like he had::

Adron Taal: I rather have me alive too.

Lun de Trois: ::The necromancer smiled at the prospects he had::

Kirin Fand: ::her teeth didn't quite chatter, but she shuddered ::

Adron Taal: How long ago was this battle? And a battle against what?

Havoc Sadani: ::He rubbed his forehead, then drew his hand down his face:: An' I'm th'one tha' knew she'd been actin' funny anyway. I just never thought... tha'.

Avraham Lave: :::of Av comin across the field and having been spotted by oscar at which point the two crossing Rainbow bridge together:::

Kendra Rulyar: So it is settled, you stay alive just a little longer and put up with me.

Adron Taal: ::leaning back and looking at Kirin:: Whats with you? ::to Kirin::

Angelique Matteo: Tomorrow. When things are calmer, I will try again tomorrow. ::with sudden determination::

Kendra Rulyar: Ahh .. well the battle against the Mad Mage, the one from which the Silver Moon Empire rose Adron.

Lun de Trois: ::He drank arnoc. The old man Asa having served it long ago without one hint of sass::

Adron Taal: Unless, you drive me mad and I jump out of the tower at the keep. ::back to Kendra::

Adron Taal: Or... ::rubbing his chin:: I push you out of the tower. That sounds like a better plan actually.

Lun de Trois: ::He was an elf. He heard Kendra's talk. He whispered. Maybe it carried:: Icaruss...

Kirin Fand: Chills. ::to Adron:: Like someone walked over a grave.

Kendra Rulyar: I thought only your wives tend to drive you mad.

Avraham Lave: :::then the cat disappears leaving a very warm and close feeling behind with Av:::

Havoc Sadani: ::His hand curled around the back of her neck and he kissed her forehead:: Thanks. We'll see, ay-ya?

Avraham Lave: :::smiling he walks back into the tavern:::

Adron Taal: I think the female species in general.

Adron Taal: Who's grave? ::to Kirin::

CWT Reena: ::Reena blinked and stared hard at the arnoc drinking elf::

Kirin Fand: ::she murmured:: My own.

Lun de Trois: ::There was a tale that said if you spoke a name three times, the being would appear. Children's nonsense, but even the necromancer wouldn't press his luck::

Kendra Rulyar: ::one Ear twitches hard hearing this name and she picks up her tea: Icaruss is dead....

Lun de Trois: ::Shadows grew and fell along the walls::

Adron Taal: Kind of hard to do isn't it? Walk across your own grave?

Angelique Matteo: Ay-ya. ::Tonight, too, she would try it. But she said nothing of that::

CWT Reena: Havoc? ::She whsipered::

Angelique Matteo: ::The hair stood up on her arms, suddenly, and she smoothed it back down again::

Lun de Trois: Naive sister... ::the whisper louder in Kendra's ear::

Kirin Fand: It's a figure of spe ... ::she, too, heard the name, the voice was familiar::

Havoc Sadani: ::His arm went around Angel's shoulders, and he turned to Reena:: Ay-ya?

CWT Reena: Are you and your wife going home soon? ::Still whispering::

Havoc Sadani: Prob'ly not ::he sighed::

Havoc Sadani: Why? You tryin' t'clear th'place out?

Adron Taal: ::picking up his tankard and pushing Ken's tea towards her::

Kendra Rulyar: ::Shakes her head a little:: Well I am not scared of Icaruss anymore, he is one plain looking human:: oh so not true about not being scared of him::

CWT Reena: I don't want to go home alone, tonight.

Adron Taal: I'm scared of ole Iccy either.

Lun de Trois: ::He laughed...a ringing, clear, hungry sound::

Kendra Rulyar: ::Adds honey to her tea, well that now made her jump just a little that laughter::

Havoc Sadani: A'right, well... You can come with us. ::He looked at Angel:: Can't she?

Adron Taal: ::tosses in the missing "NOT" ::

Angelique Matteo: You can come home with...us... ::She heard that laugh. And looked around::

Kirin Fand: Back, are you? ::to the one that laughed::

Kendra Rulyar: ::Both ears went back flat :: I hate mooncalling...

Adron Taal: Great... Nut case in the corner.

Kendra Rulyar: ::One brow arches:: You know him?

Adron Taal: Where am I again?

Kirin Fand: ::she looked to Kendra:: (s) That is no ghost.

Lun de Trois: ::another sip of arnoc::

Avraham Lave: "I like mooncalling"

Kendra Rulyar: ahh...:: she had heard Kirin::

Havoc Sadani: ::He couldn't help but look toward the source of the laughter:: More Riverstuff?

CWT Reena: Chris warned me about him. ::nodding to Lun::

Avraham Lave: "except for that army though"

Kendra Rulyar: You are drunk Av'you had two glasses of wine...

Lun de Trois: ::And then, with the tip of his finger traced the still burnt etching...the tavern had yet to repair itself that scar. Remembrance::

Adron Taal: What? ::to Reena:: A bit off kilter?

CWT Reena: Off what? ::to Adron::

Avraham Lave: "may I have a water please?" ""to whovere was behind the bar now:::

Angelique Matteo: No, Dhami. ::She spoke quietly, her eyes on the shadowy booth::

Adron Taal: Off kilter, not centered. Not all there. A bit mad. ::pointing to where the cackling person sat::

Havoc Sadani: Y'know him?

CWT Reena: He blinded Cris.

Kendra Rulyar: He did what !

Angelique Matteo: It's him. ::very quietly now::

Lun de Trois: Does she remember my name? ::whispering as he traced the letters over and over::

Adron Taal: Who's Cris?

Avraham Lave: ::to kendra:: "I'm not as think as you drunk I am"

Havoc Sadani: *Him?* ::He was suddenly all ice::

Lun de Trois: ::and they glowed, coal orange and fire red::

Avraham Lave: "that old joke"

Kendra Rulyar: Good Av'

CWT Reena: One of the tenders.

Kirin Fand: Cristian, one of the lads that tends, Adron.

Avraham Lave: ::grins at that:::

Angelique Matteo: Yes. Be careful. Don't look his way.

Adron Taal: Ahh. Then why is he allowed back after and attack?

Kirin Fand: ::she gestured to Reena::

Havoc Sadani: ::Too late for that! But he dragged his stare away and pulled Angel a little closer:: Do we get t'go now?

CWT Reena: *I'm* not telling him he has to leave!

Lun de Trois: This is her night but what does she do with it? ::tracing the letters over and over::

Adron Taal: Why not?

Havoc Sadani: ::Retreat being the better part of valor and all....::

Angelique Matteo: Yes... ::But she wasn't moving. She was doing exactly what she'd told Havoc not to do::

CWT Reena: I like being about to see.

Havoc Sadani: ::He caught her chin in his fingers and tried to pull her face around:: Angel'la?

Lun de Trois: Nothing. ::He said out loud. Through gritted teeth. And the letters that spelled Remembrance caught fire::

Avraham Lave: ::getting the glass of water from asa::: "many thanks asa"

Kendra Rulyar: ::Sits up::Stop that ! ::yelled over to Lun::

Adron Taal: ::he turned to look at the man::

Angelique Matteo: ::She let Havoc...right up until the table caught fire:: Gods.

Avraham Lave: (asa) "yer welcome" ::wondering he ordered water::

Adron Taal: Ah sh** ::a sigh::

CWT Reena: I'm going to go stay with the horses. ::she spoke to Angel and Havoc::

Havoc Sadani: Well, an' they'd be handy right about now, wouldn't they? ::he muttered, his brows lowered in a formidable frown::

Avraham Lave: ::getting a sntse of.....::

Lun de Trois: ::He turned his cowl'd face to better look at Kendra, while the table blazed, but caught nothing else afire::

Angelique Matteo: Go Reena. ::murmured::

Lun de Trois: ::the flame lit his reflective eyes red, seething::

Angelique Matteo: ::Then, aloud:: Put it out. Let it go.

CWT Reena: ::She almost ran out of the tavern, hoping to find a safe place::

Kendra Rulyar: You better leave some coin for this mess you are creating here ::snorts at the other Elf::

Havoc Sadani: ::He couldn't help but look at the burning table and the man -- creature -- that sat behind it::

Adron Taal: In fact, just leave. Now.

Lun de Trois: It is a waste. ::He told Kendra, rising like a black ghost from the flame riddled booth::

Avraham Lave: ::looks up at the stairs and sees a grey short haired familiar cat looking at him through the railing::

Lun de Trois: My time. My knowlege. MY NAME! ::He roared::

Angelique Matteo: It isn't for you to decide!

Kirin Fand: (s) Av, you might want to leave if you are not armed::quietly as she slipped up behind him::

Kendra Rulyar: You are nothing but a Misfit...::Comes to her feet but does not move towards him::

Avraham Lave: ::holds up his glass in salute:: "to you oscar" ::then drinks down the whole glass of water::

Adron Taal: So, Kendra, who is this guy?

Avraham Lave: ::Oscar's eyes half closes then opens::

Lun de Trois: ::He reached out for the fire and it came to him, hopping off the table in little fire drops, defying gravity::

Kendra Rulyar: Why do you think I know every Elf in this town:: this to Adron::

Lun de Trois: A misft? ::He laughed again:: Only I can stand up to Icaruss. He is not dead.

Avraham Lave: ::and with that...disappears::

Adron Taal: That doesn't answer my question, as I don't know every elf in this town.

Kendra Rulyar: (brb) this one is not one of my friends..they have a few better manners...

Lun de Trois: But what do I get? ::as the fire formed a hot globe, hovering above his palm::

Havoc Sadani: ::He wanted very badly to run out after Reena. And drag Angel right along with him. Only his feet seemed to be frozen in place::

Avraham Lave: "well good night all and may peace be ever with you as you ride" ::s

Angelique Matteo: ::Without thinking, she stepped in front of Havoc::

Kirin Fand: And ... what is it you want, tamer of fire and death?

Lun de Trois: Disrespect. Jokes? ::taking a step toward Kendra:: Attitude from children?

Adron Taal: ::He stepped between Kendra and the nutcase::

Adron Taal: Back off and leave. Now.

Avraham Lave: ::slowly he walks out the door warm smile on his face::

Lun de Trois: Oh, what will you do? Stick me with your sword? Send the Selevanti down to blow air at me?

Havoc Sadani: Angel... ::His hands found her shoulders. He wanted to tell her that she didn't have to do this, that they weren't prepared, that it would be better to leave now...::

Lun de Trois: ::He laughed:: Such defiance.

Adron Taal: I don't think you really want to learn.

Lun de Trois: I even reach out my hand... ::and with his free hand, he reached for Angel:: Do some good...

Lun de Trois: ::but he wasn't near her to touch her::

Havoc Sadani: ::The portal was right behind them. Havoc knew the key to all of two places. They'd work. He inched backwards, trying to urge Angel along with him.::

Angelique Matteo: It's the past, it's over. *Let it go.*

Angelique Matteo: ::She stepped back, but only a little.::

Adron Taal: Kendra... Who is this? ::not taking his eyes off the person.::

Lun de Trois: Do you see? Even now she wishes we had never met. That she were still plagued by the spirit that so haunted her.

Havoc Sadani: ::Half a dozen unconnected thoughts skittered through his head.:: How old is he? ::he whispered, non sequitur of the evening.::

Adron Taal: I want a name.

CWT Reena has left this chat.

Avraham Lave has left this chat.

Kirin Fand: ::she looked to Adron. (s) I would say only of us here knows it.

Angelique Matteo: Yes, you rid me of him! ::her voice going up.:: Yes, you taught me. And then you burned my pictures, ignored me, left me alone in that villa...

Angelique Matteo: ::Gods, what was she saying??? She pressed the back of her hand against her mouth.::

Adron Taal: Great, so why don't that one say it then.

Lun de Trois: ::His hand still held out to her. His feline gaze flickered over Havoc.:: I could not even inspire you to loyalty.

Havoc Sadani: Inspire t'panic, maybe ::under his breath.::

Lun de Trois: ::Elf. Heard that. He sneered. :: Do you see? You surround yourself with cads!

Angelique Matteo: Jean Claude. ::she said aloud.::

Havoc Sadani: ::He had often been a cad, so he wasn't going to argue, but still.::

Lun de Trois: ::He snarled and threw the fire ball down at their feet.:: YOU HAVE NO RIGHT TO CALL ME THAT!

Kirin Fand: ::she shook her head, no point in whispering around long ears.:: Well versed in your magic you may be, brother, ::it was the ears after all.:: but not in the ways of women.

Havoc Sadani: ::He jumped -- And pulled reflexively at Angel.::

Kendra Rulyar: You are a Misfit !

Angelique Matteo: ::A smile flickered on her face. Her eyes were dark, growing darker all the time. Pulled back out of the way, only her hem was singed. She shook it out without looking.::

Angelique Matteo: You gave it to me. You cannot undo that!

Havoc Sadani: What d'you want with her?

Kendra Rulyar: Jean Claude ::snorts a bit herself.:: Oh yes .. I heard that Name before. Spoken in the River district ...

Kirin Fand: ::Angel had just given his name to the others, she looked to Adron, he had his answer.::

Adron Taal: Jean Claude? ::meant nothing to him.::

Lun de Trois: ::It was true, she'd given his name out to everyone.::

Lun de Trois: ::But it was to Kendra he spoke.:: If not for me, Icaruss would rule these lands. Your precious Empire would be ashes.

Kendra Rulyar: Would it? If you are so powerful which hole did you hide in when the Klock took over?

Havoc Sadani: Great. Wonderful. Thankyouverymuch. Bye, now. Have a nice... Mooncallin'.

Kendra Rulyar: Where was your help once we won Dreven back?

Lun de Trois: ::and then to Angel.:: I gave it to you. What did you give to me?

Adron Taal: So... Who is Jean Claude? ::he never really paid attention to that stuff.::

Adron Taal: I mean, besides this guy? ::gesturing at the robed man.::

Kirin Fand: ::she looked to Havoc, but she restrained from telling him "I told you so."::

Kendra Rulyar: A old elf full of himself it sounds like.

Angelique Matteo: *Me.* ::And suddenly she was very aware of the others standing nearby.::

Adron Taal: This is an elf?

Adron Taal: Named Jean Claude?

Angelique Matteo: For a little while.

Lun de Trois: You owe me, Angelique. You give away what is not yours to give and so you owe me a little more.

Havoc Sadani: ::His hands tightened on her shoulders, supporting her whether she wanted it or not.::

Adron Taal: ::thinking that was a very un-elf like name::

Lun de Trois: ::then it probably wasn't his real name::

Kendra Rulyar: ::Arches a brow at Jean talking to Angel:: Oh you leave her alone, she is family to me! Misfit !

Angelique Matteo: ::She felt those hands on her shoulders. And breathed in deeply::

Angelique Matteo: I know. ::quietly::

Havoc Sadani: What ::he repeated carefully:: is it tha' you want from my wife?

Lun de Trois: Yess... ::hissing:: You know you do.

Kendra Rulyar: ::Jeann being oh so much older than her really, so much for respect for the elders she was taught::

Adron Taal: ::yeah, well, being rather unorthodox for his kind, he didn't care how old you were, mad was mad::

Lun de Trois: ::to Havoc with a sigh:: I will know when I know.

Lun de Trois: But twice she has denied me. Haven't you?

Havoc Sadani: So y'think you can just hold this over her for however long y'like?

Angelique Matteo: He's knows once the favor is done, then so is his hold on me.

Kirin Fand: ::her attention fell on Kendra:: He sounds ::she paused:: lonely or spurned.

Kendra Rulyar: He sounds insane!

Adron Taal: Or nuts. ::Adron added most helpfully as well::

Havoc Sadani: An' because tha's th'only way he can have you ::he said softly, never taking his eyes off Jean Claude::

Kendra Rulyar: Cast out of Arboria I hope!

Lun de Trois: ::gazing at Angel's hair. Such pretty ringlets all afire::

Adron Taal: Yeah... there's a land full of stable minds.

Kendra Rulyar: ::gives Adron a very dirty look:: It is my home.

Angelique Matteo: We should go. ::she whispered. Sounding more like herself again::

Adron Taal: You're only proving my point dear.

Kendra Rulyar: ::sighs::

Kirin Fand: Mmhmm..

Havoc Sadani: ::He nodded, then gently turned her towards the front door and around the far side of the firepit::

Lun de Trois: ::a whisper in Angel's ear...but who was speaking:: Remember...

Lun de Trois: ::the mage ripped the shadows from their berth::

Angelique Matteo: ::She went where she was led. But she turned her head, keeping her eyes on Jean Claude the entire time. The whisper sent a shiver through her::

Kendra Rulyar: I do not like him ::crosses her arms, ever so watchful of the other Elf::

XRemembranceX has left this chat.

Adron Taal: Oh I don't know. Could be great fun at parties.

Lun de Trois: ::grabbed hold of them and flipped them like a mantle about his shoulders, his head, his entire body::

Lun de Trois: ::and was gone::

Kendra Rulyar: He is for sure not invited to my wedding, if I ever have one.

Angelique Matteo: ::This was not a night for goodnights and goodbyes::

Havoc Sadani: ::He watched, too, not trusting the gadji mage for an instant. He was glad when they reached the door, and put himself in front of Angel as he opened it for her::

Kirin Fand: ::she chuckled:: Like and needing to be wary of are not one in the same, Kendra.

Kendra Rulyar: Oh he is a misfit...::snorts again: and a coward...

Adron Taal: The abyss is more stable an enviroment than this place. ::turning to glare at Kendra:: At least there you know what to expect.

Kendra Rulyar: ::calls in the shadows:: Coward!

Angelique Matteo: ::She said nothing, as she stepped out into the cold. Didn't make a sound::

Adron Taal: Oh yeah... yell at him after he leaves. ::rolling his eyes::

Kendra Rulyar: ::shakes her head::with someone like him you never know when they are truly gone...

Adron Taal: You want to find out?

Kendra Rulyar: ::Slides up to Adron:: How would you find out?

Adron Taal: The blade could possibly tell us. ::patting the hilt of Solaris:: It's very adept at sensing malice.

Havoc Sadani: ::One last look, then he closed the door firmly behind him::

Kirin Fand: He sees Angel as ungrateful for whatever was given to her, but he was the one that left her alone. ::she downed the last of her serky:: He is not likely to see his own folly.

Adron Taal: But why would he hang about?

Kendra Rulyar: To annoy me? You? Kirin? Angel?

Adron Taal: He's not annoying me.

Kendra Rulyar: He annoyed me ::leans in and kisses Adron's dirty nose::
